Section 2: Apply the discounts provided in section 1, to the products listed in section 2. Please include all additional information requested (Distributor ID #, List Price and Discounted Price). Bid will be awarded by multiplying column D, Q.TY by column H, discounted price, which will result in Column I, BID COST. Lines 37 - 53 will be added together to determine the overall lowest bidder. Report line 54 BID TOTAL, on Attachment 1, Vendor Response Form.
