TITLE:
Award B-160050 Pipe Lining System contract with Shenandoah General Construction.

ACTION REQUESTED:
A) Approve award of project B-160050 STORM WATER DRAINAGE PIPE LINING FOR DOT Operations to Shenandoah General Construction Company for a period of one-year with the option to renew for four additional one-year periods, with an authorized spend as approved in the annual adopted budget.
B) Grant the Procurement Director, with County Administration approval, the authority to renew this agreement for four additional one-year periods, at the same terms and conditions, if doing so is in the best interest of Lee County.
C) Authorize the Procurement Director, with County Administration approval, the right to add or delete products as it becomes necessary through a mutually agreed price negotiated between the vendor and an authorized representative of DOT, as long as changes remain within the authorized spending limit.
D) In the event of an emergency repair, if the vendor does not respond within 24 hours, authorize the Procurement Director to engage the other bidders in order of bid price.

FUNDING:
$250,000, Unincorporated MSTU, Included in Budget

This contract is a standard for DOT; funds are allocated each year in the Operating budget for these types of repairs.

Fund – Transportation Trust; Program – DOT Operations Roadway; Project – Other Contracted Services. Account string is PC5410117500

WHAT ACTION ACCOMPLISHES:
Approves the award of B-160050 Storm Water Drainage Pipe Lining for DOT Operations to the following vendor Shenandoah General Construction Co. (a local vendor) to provide DOT with a pipe lining system that allows for repair rather than replacement of existing storm water pipes. This includes line cleaning and video inspection of storm water systems, purchase and installation of resin impregnated cured-in-place pipe lining and purchase and installation of polyethylene pipe lining.

On November 24, 2015 Procurement Management received three sealed bid packages. Of the three vendors Shenandoah General Construction Co. was the only local vendor and the low bidder.

The purpose of this contract is to provide DOT with a vendor it can call upon to complete pipe lining repairs. Allows for the repair of lines and failing drainage pipes that run under Lee County maintained roads without having to excavate the roadway to repair the pipe, which minimizes inconvenience for the traveling public.
