To become insured, you must satisfy the eligibility requirements listed above, serve an eligibility waiting period, receive medical underwriting approval (if applicable), agree to pay premium, and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance.

If you are not actively at work on the day before the scheduled effective date of insurance including Dependents Life insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding these requirements that must be satisfied for your insurance to become effective.

Under this plan, your coverage amount reduces by your age on the last January 1 as follows: by 33 percent at age 65, by 50 percent at age 70, and by 65 percent at age 75.

- The date you cease to meet the eligibility requirements (coverage may continue for limited periods under certain circumstances)
- The date the group policy, or your employer’s coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when insurance ends, contact your human resources representative.

**Group Insurance Certificate**

If coverage becomes effective, and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events.
