

## Lee County Domestic Animal Services Volunteer Program

# Volunteer Incentives

**You have earned your hours.....**

**Now reward yourself!**

**For registered and active volunteer staff:**

Lee County Domestic Animal Services would like to THANK YOU for the many hours you selflessly give to make Lee County a better place for pets. You can use your hours that you have recorded to "purchase" the items in this catalogue. This is just a small gesture to show you how much we truly appreciate you.

Volunteer Incentives can be ordered at any time by simply filling out the order form and submitting it to Volunteer Services.

- All hours earned are "Roll Over" hours.
- There is no limit of items you can request at any given time as long as you have earned those hours and there are no quantity limits.
- New items added every year.
- **All items are available as long as supplies are available.**

If you have any questions or concerns about your hours or the incentive program, please feel free to communicate them to Volunteer Services. Have a great day and know that you are appreciated.
