Animal Services offers “Endless Summer” adoption special

Fort Myers, FL, July 29, 2015 — The end of summer is approaching but not the end of kitten season. In the last three months Lee County Domestic Animal Services has taken in more than 2,500 cats and kittens. A slowdown in adoptions for both dogs and cats during the summer has kept the shelter at or beyond capacity since May.

To boost adoptions, the shelter will offer an Endless Summer special featuring 50 percent off all adoptions with a donation of unopened dog or cat food for the Community Pet Pantry and to feed the increasing number of pets entering the shelter. Dry dog and cat food as well as pate' variety canned cat food is desperately needed.

While those making a pet food donation will receive a discount on the adoption fee for their new pet, all adoptions still include the following veterinary and other services valued at over \$500:

- Spay/neuter surgery
- Age-appropriate vaccinations
- Rabies vaccination and county license for pets over 3 months
- 10-day pet health guarantee
- Microchip ID
- Feline Leukemia and AIDS test for cats
- Heartworm test for dogs over 6 months
- Flea treatment
- De-worming
- Behavior Helpline

Photos and information about lost pets or pets for adoption are available on the agency's website at <http://www.leelostpets.com>. Pet information on the website updates hourly. Adoption applications may be completed online.
