### 52,000 LB. GVWR CAB & CHASSIS - 4X6 TANDEM AXLE TRUCK SPECIFICATION #49

### 2007/2008 Volvo V Series

The Volvo V Series purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$87,299.00	\$87,049.00	\$87,177.00	\$82,828.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

#### HE YEAR 'ROUND ECONOMICAL SOLUTION TO ASPHALT STREET PROBLEMS

### **Truck Options**

#### WORK DECK

Available on units with a built-on road oil tank. The work deck is constructed of 1/4" angle iron and 3/16" expanded metal with assist hand rails. The work deck is mounted between the hopper and the truck cab. The work deck provides easy and safe access to the emulsion oil tank and asphalt hopper from the passenger side.

#### SPOILS BIN

The spoils bin is 30" wide with a 1.25 cubic yard capacity and features a gravity dump. Asphalt spoils may be loaded or discharged from both sides of the truck.

#### VIBRATORY COMPACTOR PLATE

A Wacker WP 1550AW compactor equipped with a 5.5 hp gasoline Honda engine with auto oil alarm shut down. Operating weight is 190 lbs, centrifugal force is 3375 lbs, plate size is 19.5" x 23". Also features a water tank and locking holding brackets.

#### VIBRATORY ROLLER

The vibratory roller is a Bomag BW55E with a 4 hp Honda engine. Operating weight is 351 lbs, centrifugal force is 2250 lbs, single drum vibratory roller is 22" wide. Also features a centrifugal clutch and water tank.

ROUGE ROAD HEAN

### HYDRAULIC REAR LIFT PLATFORM

A hydraulically operated lift platform for loading or unloading a compactor plate or roller. The platform has a safety latch in the "up" position, an in-cab "platform down" indicator light with compactor or roller holding brackets. The platform also has an optional pavement breaker mount. Al controls for the platform are at the rear of the unit.

#### ELECTRIC HOIST

A 12 volt 1 1/3 hp electric hoist is available for loading or unloading the vibratory compactor plate.

### PAVEMENT BREAKERS

HYDRAULIC TOOL LINE HOSE REEL Hose pressure is 3000 PSI with dual 25' hydraulic tool lines. Comes with spring loaded auto retractable reel.

detachable shank with lockable transporting bracket.

### HYDRAULIC OPERATED STEEL TOP DOORS

Two hydraulicly operated bi-fold steel top doors that come with hex brake for rigidity. Doors are insulated with 2" of high temperature insulation in a double steel jacket. The doors have rain seal caps and flex plates to keep asphalt out of the door hinges. Each door has a 1 1/2" bore with a 13" stroke hydraulic cylinder with bypass and flow control valves. The controls for the doors are at the front of the unit behind the passenger side of the truck cab.

#### INSULATED TARP TOP COVER

The tarp is a double form fitted 2" insulated tarp with tie downs. The tarp material is capable of sustaining temperatures up to 500° F.

AIR LINE HOSE REEL

This comes with 20' of hose and a spring loaded, auto retractable reel.

#### HYDRAULIC AIR COMPRESSOR

This is used to blow out repair sight and other compressed air demands. The hydraulically driven air compressor is self contained, and operates at 25 CFM @ 125 PSI, and comes with a cooling fan. The air compressor also comes with quick couplers, 20' of air hose, a 5' air blow gun with deadman control valve, a 5 gallon air tank with cable assisted condensation drain and 150 PSI relief valve. Hydraulic and electric controls are located at the right rear of the unit.

DIESEL FUEL HOSE REFL

This is used for the diesel fuel spray wand. It comes with 20' of hose and a spring loaded, auto retractable reel.

TACK OIL HOSE REEL

This comes with 15' of hose and a spring loaded, auto retractable reel.

DRIP PAN

A ten gallon drip pan, unit mounted, that is used for waste oil.

#### WATER TANK

A frame mounted, eight gallon tank with valve and hose. Provides a water supply for the asphalt compactor plate. Comes with rust proof liner.

FRAME MOUNTED LP GAS BOTTLE A frame mounted 35 gallon or 50 gallon capacity LP gas bottle with quick fill connector, 10 PSI regulator and fuel sight gauge.

#### FUEL

A 100 lb (25 gallon) removable propane bottle, complete with 10 PSI regulator valve.

#### DIRECTIONAL ARROW BOARD

Available arrow board is an Able II with lights that flash left, right and warning bar. The board is mounted on the rear of the Pro-Patch unit with in-cab controls.

#### DIRECTIONAL ARROW BOARD

Available arrow board is a Wanco model WSBA-14 with 14 seal beams. This state DOT approved arrow board flashes left, right and warning bar. The board is mounted on the rear of the Pro-Patch unit with in-cab controls.

#### STROBE LIGHT

A pedestal mounted Meteorlight SY2000.

#### SAND SPREADER ASSEMBLY

The sand spreader assembly includes chute, spinner, hydraulic motor, hydraulic lines and all quick coupler connecting fittings. In-cab controls.

#### EXTRA TOOL BOX

A 12 gauge steel 19" x 24" 30" tool box with waterproof locking door.

#### ASPHALT EDGER

The edger is designed to repair deteriorated shoulders on a highway. The screw conveyor assembly is ball bearing mounted. The conveyor is driven by a hydraulic motor with forward and reverse capabilities. The edger is powered by a 20 hp Honda LP gas or gasoline engine with direct mounted hydraulic pump. The unit mounts to the rear of the Pro-Patch unit with four bolts. Also comes with a separate asphalt chute. A hydraulic splitter valve allows separate control from the hopper screw conveyor to the side deliver screw conveyor. The screw conveyor is fully enclosed for safety. The asphalt edger is

#### PTO

A Muncie or Chelsea PTO electric over air shift or hot shift, depending on the truck's transmission model.

THROTTLE CONTROL A rear mounted electronic engine throttle control.

#### 2007/2008 International 4300V SBA (MA015)

The International 4300V SBA (MA015) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$41,300.00	\$41,600.00	\$41,300.00	\$41,600.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

#### RE: SHERIFFS' OFFICES & LOCAL GOVERNMENTAL AGENCIES OF THE STATE OF FLORIDA COOPERATIVE BID FOR PURSUIT, ADMINISTRATIVE NON-PURSUIT, UTILITY VEHICLES, TRUCK & VANS, & OTHER FLEET EQUIPMENT Bid No. 06-14-0821A

We are pleased to announce that the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association has successfully conducted its statewide competitive bid for the trucks which were not awarded in Bid 06-14-0821. This contract is effective beginning January 1, 2007 through September 30, 2007, as long as vehicles are available through fleet.

Bids will be extended and guaranteed to any and all units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida. Also, in accordance with the provisions of Chapter 287, F.S., and 60A, Florida Administrative Code, any state agency including the Division of Universities, Department of Children and Family Services, Department of Health, Department of Juvenile Justice and Department of Corrections which elects and is authorized to purchase from a source other than the State of Florida contract is eligible to purchase from this bid.

In addition to the eligible users referenced above and with the consent of the successful bidder(s), purchases may be made under the terms and conditions of this contract by governmental entities located outside the State of Florida. Appropriate governmental entities' purchasing laws, rules and regulations shall apply to purchases made under this contract.

This program is designed to provide participating agencies with the most economically priced trucks, and other fleet equipment tailored to their specific needs, in a prompt and timely manner. One of the unique characteristics of this program that distinguishes it from others is that this bid contract is awarded to the lowest responsible bidder *by manufacturer* by specification by zone for all vehicles, trucks, vans and other fleet equipment.

The Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association realize that Sheriffs' Offices, Police Agencies and other units of local governments must provide economically based maintenance and stocked parts for their fleets. They must consider overall operational cost of their vehicles instead of just considering "low bid" on the purchase of the vehicle. This program's bid award system not only provides the purchaser with the means to make sound decisions on dedicated fleet needs, but also offers the convenience of shopping and purchasing from a single contract.

**Bid Award Announcement (06-14-0821A)** 

All interested parties who wish to purchase from this contract may do so by following these simple procedures:

## **ORDERING INSTRUCTIONS**

1. Contact the awarded dealership (see pages 13-14) listed in the zone from which you wish to purchase and advise them of your interest to purchase from the Sheriffs' Offices & Local Governmental Agencies of the State of Florida Bid No. 06-14-0821A. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program.

All agencies ordering any FORD, GENERAL MOTORS, or CHRYSLER product, please be advised that you must use the appropriate FIN CODE/FAN CODE for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN CODE/FAN CODE as a secondary number. For futher assistance call the Fleet Customer Information Center for your appropriate manufacturer.

Manufacturer	Type Code	FSA Code	Fleet Center Contac	t Numbers
FORD	FIN CODE	QE065	1-800-34-FLEET	(1-800-343-5338)
GENERAL MOTORS	FAN CODE	917872	1-800-FLEET OP	(1-800-353-3867)
DAIMLER CHRYSLER	FAN CODE	49313	1-800-999-FLEET	(1-800-999-3533)

2. <u>YOU MUST send a copy of the ORIGINAL PURCHASE ORDER (including FSA's Contract No. 06-14-0821A) you submitted to the participating dealer to:</u>

#### Florida Sheriffs Association

P. O. Box 12519 Tallahassee, Florida 32317-2519 ATTN: Lynn Meek, Cooperative Bid Coordinator

- 3. Basic information required on all purchase orders is listed on Page 16 of this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. NOTE: Purchasers are reminded that the issuance of a Purchase Order does not in itself guarantee the placement of an order. The agency is responsible for filling in the requested information on the "Confirmation of Order" and submitting it along with your purchase order to the respective dealership. Dealers are required to fill in the bottom section of the "Confirmation of Order" and submitting it along with your purchases are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time frame and request its issuance.
- 4. Agencies which elect to purchase off this contract will incur the following Administrative Fees:
  - Pursuit, Administrative Non-Pursuit, Utility Vehicles, Trucks & Vans (Any vehicle up to 52,000 lb. GVWR) – Dealers have included the administrative fee of \$75.00 per unit in their bid prices and made it a part of the base unit's purchase price.
  - Trucks starting at 52,000 lb. GVWR and all Heavy Equipment Dealers are to charge purchasing agencies an administrative fee of 1/2 percent (.005) of the total invoice amount (base unit plus options) to be collected and paid to the FSA by the contracting dealers/manufacturer's. Administrative fees for trucks starting at 52,000 lbs. GVWR and all heavy equipment will not be included or made a part of the bidders base unit purchase price. This will be a separate line item on the agency's purchase order. The dealers/manufacturers will be responsible for calculating and advising the prospective purchasing agencies of the 1/2 percent (.005) administrative fee to be charged and included in the total invoice amount

at the time of order. The purchasing agencies will include the FSA administrative fee as a part of their purchase order request. Again, this will eliminate the need for purchasing agencies to have to prepare two separate purchase orders and checks.

- 5. In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at <u>lmeek@flsheriffs.com</u>. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
- 6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific dealer. Superscripts will be a number between 1 and 4, and will correspond as follows:
  - 1 = Western zone dealer
  - 2 = Northern zone dealer
  - 3 = Central zone dealer
  - 4 = Southern zone dealer

If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numerical number that applies to their awarded zones. For example, if a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.

On a final note, prospective purchasers are reminded that pursuant to Florida State Statute all fees (title, application plate transfer, etc.) are included in the base price for each vehicle. Purchasing agencies which elect to do their own title work, may wish to consider seeking reimbursement from the dealership for those transfer fees already included in the base price of each vehicle.

The Florida Sheriffs Association's, Florida Association of Counties' and Florida Fire Chiefs' Association's bid award for full size (pursuit and administrative), mid size (pursuit and administrative), utility vehicles, trucks and vans, and other fleet equipment are as follows (zones indicated with a  $\star$  = specification low bid):

Bid Award Announcement (06-14-0821A)

As an added feature to the Cooperative Bid Program, the **Florida Sheriffs Association** offers several financing programs. Please note that these financing programs are not part of the bid process, and therefore, do not constitute a formal bid award. Although these financing programs are recommended by the Florida Sheriffs Association, participating agencies have the ability to seek their own financing or leasing arrangement with other leasing/ financing companies of their choice.

The Florida Sheriffs Association Tax Exempt Installment Financing Program is available to Sheriffs, Units of Local Governments, Municipalities and Police Agencies to finance vehicles and a variety of other types of equipment and projects. The program allows low tax exempt financing of equipment over its useful life which allows you to update your fleet, maintain proper fleet rotation, and control and lower maintenance costs. The program is offered in conjunction with Mears Motor Leasing. Any questions or requests for quotes should be directed to Mears Motor Leasing, at (407) 253-4464. Please see page 222 for additional information on the lease/ purchase program.

The Florida Sheriffs Association Police Car Lease Program is also available to finance vehicles. This plan is not a straight lease nor a straight finance program. It is the best of both. This plan takes advantage of the special low municipal finance rate (previously only available on a finance plan) and at the same time allows agencies to pay only for the useful life of the car. This program is also offered in conjunction with Mears Motor Leasing. Any questions or request for quotes should be directed to Mears Motor Leasing at (407) 253-4464. Please see page 1425 for additional information on this program.

The Florida Sheriffs Association also offers an "Operating Lease Program" for police vehicles and equipment through Ontario Fleet Leasing. This unique program is currently financed at our low interest rate of 4.9%. Program highlights are as follows:

- Lease patrol, sport utility, motorcycles, emergency, crime scene and unmarked vehicles;
- Unlimited mileage option is available;
- Eliminates the formal bidding process;
- The lease is recognized as an operating lease in accordance with FASB 13 standards;
- The County has the option to run the vehicles through their annual auction;
- The Sheriff's Office will share in the auction's proceeds.

Any questions or request for quotes should be directed to Ontario Fleet Leasing at (315) 431-4676.

We would like to thank you in advance for your time and interest in this program and ask that you feel free to contact **Peggy Goff** with the **Florida Sheriffs Association** at (850) 877-2165 should you have any questions regarding these financing or leasing programs.

#### BASIC INFORMATION REQUIRED ON A VEHICLE PURCHASE ORDER

When filling out a purchase order for a vehicle that is to be purchased under the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association Bid No. 06-14-0821A, there are certain items of information that must be on the purchase order, or enclosed with the purchase order, so as to minimize the possibility of errors on the order.

This information includes, but is not limited to, the following:

- Date or order
- Purchase order number
- Originator of purchase order
- Name and number (phone & fax) of contact person responsible for receiving "Confirmation of Order" and scheduling of delivery.
- Delivery date required
- Contract number (06-14-0821A)
- Contract specification number of vehicle(s), number of vehicles ordered and base price of vehicles
- Type vehicle ordered (i.e. Ford F-750 or International 4300V SBA)
- FIN CODE for the Florida Sheriffs Association (QE065) and your agency's FIN CODE when ordering FORD products
- FAN CODE for the Florida Sheriffs Association (917872) and your agency's FAN CODE when ordering. GENERAL MOTORS products
- FAN CODE for the Florida Sheriffs Association (49313) and your agency's FAN CODE when ordering CHRYSLER products
- Individual listing of each option ordered under the contract, along with each option cost
- Individual listing of each non-contract option ordered, along with each option cost
- Total cost of vehicle(s)
- Line item for administrative fee for trucks starting at 52,000 lb. GVWR and all heavy equipment
- Copy of dealer's quote for non-contract option(s)
- Copy of vehicle(s) specifications (if different from contract specifications)

Inclusion of the above mentioned items will help prevent possible misunderstanding of the order and will assist in any audit of the purchase orders, or vehicles, that may be deemed necessary in the future.

#### RE: SHERIFFS' OFFICES & LOCAL GOVERNMENTAL AGENCIES OF THE STATE OF FLORIDA COOPERATIVE BID FOR PURSUIT, ADMINISTRATIVE NON-PURSUIT, UTILITY VEHICLES, TRUCK & VANS, & OTHER FLEET EQUIPMENT Bid No. 06-14-0821A

We are pleased to announce that the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association has successfully conducted its statewide competitive bid for the trucks which were not awarded in Bid 06-14-0821. This contract is effective beginning January 1, 2007 through September 30, 2007, as long as vehicles are available through fleet.

Bids will be extended and guaranteed to any and all units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida. Also, in accordance with the provisions of Chapter 287, F.S., and 60A, Florida Administrative Code, any state agency including the Division of Universities, Department of Children and Family Services, Department of Health, Department of Juvenile Justice and Department of Corrections which elects and is authorized to purchase from a source other than the State of Florida contract is eligible to purchase from this bid.

In addition to the eligible users referenced above and with the consent of the successful bidder(s), purchases may be made under the terms and conditions of this contract by governmental entities located outside the State of Florida. Appropriate governmental entities' purchasing laws, rules and regulations shall apply to purchases made under this contract.

This program is designed to provide participating agencies with the most economically priced trucks, and other fleet equipment tailored to their specific needs, in a prompt and timely manner. One of the unique characteristics of this program that distinguishes it from others is that this bid contract is awarded to the lowest responsible bidder *by manufacturer* by specification by zone for all vehicles, trucks, vans and other fleet equipment.

The Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association realize that Sheriffs' Offices, Police Agencies and other units of local governments must provide economically based maintenance and stocked parts for their fleets. They must consider overall operational cost of their vehicles instead of just considering "low bid" on the purchase of the vehicle. This program's bid award system not only provides the purchaser with the means to make sound decisions on dedicated fleet needs, but also offers the convenience of shopping and purchasing from a single contract.

Bid Award Announcement (06-14-0821A)

All interested parties who wish to purchase from this contract may do so by following these simple procedures:

### **ORDERING INSTRUCTIONS**

1. Contact the awarded dealership (see pages 13-14) listed in the zone from which you wish to purchase and advise them of your interest to purchase from the Sheriffs' Offices & Local Governmental Agencies of the State of Florida Bid No. 06-14-0821A. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program.

All agencies ordering any FORD, GENERAL MOTORS, or CHRYSLER product, please be advised that you must use the appropriate FIN CODE/FAN CODE for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN CODE/FAN CODE as a secondary number. For futher assistance call the Fleet Customer Information Center for your appropriate manufacturer.

Manufacturer	Type Code	FSA Code	Fleet Center Contac	t Numbers
FORD	FIN CODE	QE065	1-800-34-FLEET	(1-800-343-5338)
GENERAL MOTORS	FAN CODE	917872	1-800-FLEET OP	(1-800-353-3867)
DAIMLER CHRYSLER	FAN CODE	49313	1-800-999-FLEET	(1-800-999-3533)

2. <u>YOU MUST send a copy of the ORIGINAL PURCHASE ORDER (including FSA's Contract No. 06-14-0821A) you submitted to the participating dealer to:</u>

#### Florida Sheriffs Association

P. O. Box 12519 Tallahassee, Florida 32317-2519 ATTN: Lynn Meek, Cooperative Bid Coordinator

- 3. Basic information required on all purchase orders is listed on Page 16 of this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. NOTE: Purchasers are reminded that the issuance of a Purchase Order does not in itself guarantee the placement of an order. The agency is responsible for filling in the requested information on the "Confirmation of Order" and submitting it along with your purchase order to the respective dealership. Dealers are required to fill in the bottom section of the "Confirmation of Order" and submitting it along with your purchases are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time frame and request its issuance.
- 4. Agencies which elect to purchase off this contract will incur the following Administrative Fees:
  - Pursuit, Administrative Non-Pursuit, Utility Vehicles, Trucks & Vans (Any vehicle up to 52,000 lb. GVWR) Dealers have included the administrative fee of \$75.00 per unit in their bid prices and made it a part of the base unit's purchase price.
  - Trucks starting at 52,000 lb. GVWR and all Heavy Equipment Dealers are to charge purchasing agencies an administrative fee of 1/2 percent (.005) of the total invoice amount (base unit plus options) to be collected and paid to the FSA by the contracting dealers/manufacturer's. Administrative fees for trucks starting at 52,000 lbs. GVWR and all heavy equipment will not be included or made a part of the bidders base unit purchase price. This will be a separate line item on the agency's purchase order. The dealers/manufacturers will be responsible for calculating and advising the prospective purchasing agencies of the 1/2 percent (.005) administrative fee to be charged and included in the total invoice amount

at the time of order. The purchasing agencies will include the FSA administrative fee as a part of their purchase order request. Again, this will eliminate the need for purchasing agencies to have to prepare two separate purchase orders and checks.

- 5. In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at <u>lmeek@flsheriffs.com</u>. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
- 6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific dealer. Superscripts will be a number between 1 and 4, and will correspond as follows:
  - 1 = Western zone dealer
  - 2 = Northern zone dealer
  - 3 = Central zone dealer
  - 4 = Southern zone dealer

If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numerical number that applies to their awarded zones. For example, if a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.

On a final note, prospective purchasers are reminded that pursuant to Florida State Statute all fees (title, application plate transfer, etc.) are included in the base price for each vehicle. Purchasing agencies which elect to do their own title work, may wish to consider seeking reimbursement from the dealership for those transfer fees already included in the base price of each vehicle.

The Florida Sheriffs Association's, Florida Association of Counties' and Florida Fire Chiefs' Association's bid award for full size (pursuit and administrative), mid size (pursuit and administrative), utility vehicles, trucks and vans, and other fleet equipment are as follows (zones indicated with a  $\star$  = specification low bid):

As an added feature to the Cooperative Bid Program, the Florida Sheriffs Association offers several financing programs. Please note that these financing programs are not part of the bid process, and therefore, do not constitute a formal bid award. Although these financing programs are recommended by the Florida Sheriffs Association, participating agencies have the ability to seek their own financing or leasing arrangement with other leasing/ financing companies of their choice.

The Florida Sheriffs Association Tax Exempt Installment Financing Program is available to Sheriffs, Units of Local Governments, Municipalities and Police Agencies to finance vehicles and a variety of other types of equipment and projects. The program allows low tax exempt financing of equipment over its useful life which allows you to update your fleet, maintain proper fleet rotation, and control and lower maintenance costs. The program is offered in conjunction with Mears Motor Leasing. Any questions or requests for quotes should be directed to Mears Motor Leasing, at (407) 253-4464. Please see page 222 for additional information on the lease/ purchase program.

The Florida Sheriffs Association Police Car Lease Program is also available to finance vehicles. This plan is not a straight lease nor a straight finance program. It is the best of both. This plan takes advantage of the special low municipal finance rate (previously only available on a finance plan) and at the same time allows agencies to pay only for the useful life of the car. This program is also offered in conjunction with Mears Motor Leasing. Any questions or request for quotes should be directed to Mears Motor Leasing at (407) 253-4464. Please see page 1425 for additional information on this program.

The Florida Sheriffs Association also offers an "Operating Lease Program" for police vehicles and equipment through Ontario Fleet Leasing. This unique program is currently financed at our low interest rate of 4.9%. Program highlights are as follows:

- Lease patrol, sport utility, motorcycles, emergency, crime scene and unmarked vehicles;
- Unlimited mileage option is available;
- Eliminates the formal bidding process;
- The lease is recognized as an operating lease in accordance with FASB 13 standards;
- The County has the option to run the vehicles through their annual auction;
- The Sheriff's Office will share in the auction's proceeds.

Any questions or request for quotes should be directed to Ontario Fleet Leasing at (315) 431-4676.

We would like to thank you in advance for your time and interest in this program and ask that you feel free to contact **Peggy Goff** with the **Florida Sheriffs Association** at (850) 877-2165 should you have any questions regarding these financing or leasing programs.

Bid Award Announcement (06-14-0821A)

#### BASIC INFORMATION REQUIRED ON A VEHICLE PURCHASE ORDER

When filling out a purchase order for a vehicle that is to be purchased under the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association Bid No. 06-14-0821A, there are certain items of information that must be on the purchase order, or enclosed with the purchase order, so as to minimize the possibility of errors on the order.

This information includes, but is not limited to, the following:

- Date or order
- Purchase order number
- Originator of purchase order
- Name and number (phone & fax) of contact person responsible for receiving "Confirmation of Order" and scheduling of delivery.
- Delivery date required
- Contract number (06-14-0821A)
- Contract specification number of vehicle(s), number of vehicles ordered and base price of vehicles
- Type vehicle ordered (i.e. Ford F-750 or International 4300V SBA)
- FIN CODE for the Florida Sheriffs Association (QE065) and your agency's FIN CODE when ordering FORD products
- FAN CODE for the Florida Sheriffs Association (917872) and your agency's FAN CODE when ordering GENERAL MOTORS products
- FAN CODE for the Florida Sheriffs Association (49313) and your agency's FAN CODE when ordering CHRYSLER products
- Individual listing of each option ordered under the contract, along with each option cost
- Individual listing of each non-contract option ordered, along with each option cost
- Total cost of vehicle(s)
- Line item for administrative fee for trucks starting at 52,000 lb. GVWR and all heavy equipment
- Copy of dealer's quote for non-contract option(s)
- Copy of vehicle(s) specifications (if different from contract specifications)

Inclusion of the above mentioned items will help prevent possible misunderstanding of the order and will assist in any audit of the purchase orders, or vehicles, that may be deemed necessary in the future.
