- A. Upon payment of the fee and submittal of a certificate of rabies vaccination, a license shall be issued. Each animal so licensed shall be issued (1) a license certificate and (2) a metallic license tag. Such tag shall be impressed with a license identification number which corresponds to the number on the

license certificate. No license identification tag issued for one animal shall be considered valid for any other animal. The license certificate and tag may be issued by a licensed veterinarian or the Animal Control Agency upon being shown a vaccination certificate from any licensed veterinarian. Certificates shall be executed in triplicate: a copy of the license certificate shall be given to the owner, one to the Animal Control Agency and one to the veterinarian. A County license certificate need not be issued if a veterinarian issues a rabies certificate with the County license tag number already shown on it.

- B. The metallic license tag must be attached to the collar or harness of the animal, and must be worn at all times. No one is permitted to remove the collar and/or tag of an animal for the purpose of preventing or falsifying the identification of an animal. Cats are not exempt from this provision. During a recognized breed show, the owner of the dog, cat or ferret shall retain the rabies and license tag and/or rabies and license certificates, and shall produce the same if called upon to verify that any cat, dog or ferret in his possession or owned by him has the required license and vaccination. The certificate of vaccination may be produced if the tag has been lost.
- C. Any client presenting to a veterinarian (or other qualified person) for rabies vaccination a dog, cat or ferret without an affixed license tag shall be informed by that veterinarian or qualified person that Lee County law requires that the animal be licensed and wear a license tag.
- D. A duplicate license may be issued if the original is lost or destroyed. If a change of ownership of a dog or cat occurs during the license year, the new owner may have the license transferred to his name upon payment of a transfer fee, as established in the Administrative Codes for the County.

## **XXI. LICENSE FEE.**

- A. The Board of County Commissioners shall set the fee by Resolution.
- B. The fee is payable to the authorized agency or the authorized veterinarian.
- C. License fees are not required for certified seeing-eye leader dogs, hearing dogs, governmental police dogs, or other certified dogs, trained to assist the physically handicapped; but such animals must be licensed and must have received their rabies vaccination.

## **XXII. ANIMALS IN MOTOR VEHICLES**

- A. The owner or operator of a motor vehicle shall not place or confine an animal, nor allow an animal to be placed or confined in an unattended motor vehicle without sufficient ventilation or under conditions which may endanger the health or well-being of the animal due to heat, lack of water or any other circumstances which may cause suffering, disability or death.
- B. It shall be unlawful to transport any animal in any vehicle, if such vehicle is of open design, unless the animal is safely and humanely restrained.
- C. Any Animal Control Officer or law enforcement officer who observes an animal in a motor vehicle in obvious danger or distress may enter the motor vehicle by any means necessary to remove and impound the animal or take the animal to a veterinarian if necessary. If the owner of said animal cannot be contacted, the Animal Control Officer or law enforcement officer shall leave in a prominent place in or upon the vehicle a written notice as to the reason for removal of the animal. The owner of the animal and the owner of the motor vehicle are responsible for any costs incurred.
- D. Any person violating the provisions of this Section shall upon conviction be guilty of a misdemeanor of the second degree, punishable as provided for in Florida Statutes.

## **XXIII. HUMANE TREATMENT OF ANIMALS**

- C. Any person violating the provisions of this Section shall upon conviction be guilty of a misdemeanor of the second degree, punishable as provided for in Florida Statutes.

## **XXIV. REDEMPTION AND DISPOSITION OF IMPOUNDED AND UNWANTED ANIMALS**

- A. Any animal impounded under the provision of this ordinance and not redeemed by its owner after five (5) consecutive days shall become the property of the Animal Control Agency. The five (5) day period does not apply to sick, injured, diseased or orphaned sucklings, or wild animals regulated by

state wildlife agencies. This time period may be extended or reduced at the discretion of Animal Control to relieve animal suffering. Animal Control may utilize the services of a veterinarian to treat sick, injured or diseased animals. The owner shall be responsible for all such costs incurred. Feral cats may only be held for three (3) consecutive days.)

- B. Any person seeking to redeem or reclaim an animal impounded under the provisions of this ordinance shall pay the impoundment fees, boarding fees, license fees and all other fees resulting from impounding and caring for the animal. Any animal to be released from the pound must have a prior license or a license must be obtained by the owner. Upon payment of the license fee, the animal will be released to its owner or his designee, who then must have the animal vaccinated for rabies by a licensed veterinarian. The certificate of vaccination must be returned to the Animal Control Agency within ten (10) days (or a specified date for puppies or kittens) as a prerequisite to issuance of the license.
- C. An owner whose animal has been impounded for a second time within one year shall be charged twice the regular impoundment fee.
- D. When the ownership of an animal is deemed questionable, the Animal Control Agency may require proof of ownership. Proof of ownership may include license receipt, veterinary records, affidavits from neighbors, photographs or other reliable, verifiable documentary evidence.

**XXV. PROVIDING FOR THE REPORTING OF PERSONS BITTEN OR SCRATCHED BY ANIMALS AND QUARANTINE OF ANIMALS FOR RABIES OBSERVATION.**

- A. Any dog, cat or ferret that bites or scratches a person shall be impounded by Animal Control and held in quarantine for a minimum period of ten (10) days from the date of bite or scratch for rabies observation, either at the Animal Control shelter or a veterinary clinic in Lee County. Information regarding the animal's description; current rabies vaccination date; owner's name, address and telephone number; the name of the animal; the address and telephone number of person bitten or scratched; and location of wound, shall be reported.
- B. If the dog, cat or ferret has a current rabies vaccination and a current license, the Animal Control Officer may allow the animal to be quarantined at home by agreement with Animal Control if and only if the animal has not bitten a person previously.

- C. It shall be a violation of this ordinance for any person to refuse to surrender any animal for quarantine.
- D. No person shall allow an animal under home quarantine to violate the Home Quarantine Agreement in any way, or allow said animal to roam at large.
- E. Any dog, cat or ferret that dies or is humanely euthanized while under quarantine shall be decapitated without mutilation and the head sent to the State Board of Health for pathological examination. All other animals (except dogs or cats or ferrets) which bite or scratch a person shall not be quarantined, but shall be impounded until instructed by the Health Department as to its disposition.
- F. It is a violation of this Ordinance for anyone to kill or remove from Lee County, Florida, without the express written consent of the Animal Control Agency, any of the following:
  - 1. Any rabid animal;

Any owner, manager or staff person upon demand of an Animal Control Officer must produce any and all records pertaining to sale or purchase of animals, veterinary care, rabies certification, health certification, feed receipts, business or exhibitors licenses or permits, relating to each animal on the premises.
- C. Standards of care required to be maintained at all commercial animal establishments in Lee County must include, but are not limited to:

1. All animals must be given adequate food, water, shelter and veterinary care, as defined in this Ordinance.
  2. All cages, kennels, stalls or enclosures shall be cleaned daily. Any bedding provided must be clean.

  4. All buildings and sheds used for stabling animals shall be well ventilated and provide adequate protection from the elements.
  5. Each animal shall have sufficient space to stand up, lie down, and turn around in a natural position, without touching the sides or top of the cage, stall, kennel or enclosure. Overcrowding will be determined by the inspecting officer.
  6. Any animal that appears to be sick must be quarantined away from other animals to avoid the spread of disease and examined by a licensed veterinarian before being placed back with other animals or sold.

This number will be posted at the entrance of any property using that guard dog service. At the time of registration, each dog will be Micro chipped and receive an I.D. tag that must be affixed to the dog at all times.

- E. The Animal Control Agency shall maintain a guard dog register which shall contain all data required by this section. Immediately upon transfer of ownership, death, disappearance or annual rabies inoculation of a guard dog, each guard dog service or owner shall notify the Animal Control Agency. Upon receipt of the information, the appropriate entry shall be made in the register. If the guard dog has disappeared, an entry should be made to reflect the locale and reason of such disappearance.
- F. An Animal Control Officer shall have the right to enter and inspect all kennels housing guard dogs and other premises where such dogs are in use for determination of owner registration compliance.

- H. **TRANSPORTATION OF GUARD DOGS:** The vehicle of every guard dog service transporting any guard dog must be clearly marked, showing that it is transporting a guard dog. The approved alternative method of disposal is cremation at a Lee County approved licensed crematory. Nothing in this Section prohibits the disposal of animal carcasses to rendering companies licensed to do business in this state. It is unlawful to dispose of the carcass of any domestic animal by dumping the carcass on public property, road or right-of-way, pursuant to Chapter 823.041 Florida Statutes.

**XXIX. SEVERABILITY.** The provisions of this Ordinance are severable, and it is the intention to confer the whole or any part of the powers herein provided for. If any of the provisions of this Ordinance shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this Ordinance.
