INSTRUCTIONS

- A. The Letter of Substantial Compliance must be filled out completely, signed and sealed by a registered Professional Engineer certifying compliance with the code as required by LDC Section 34-625 (f)(1).
- B. A request for final inspection must accompany the Letter of Substantial Compliance. With this letter the Engineer should demonstrate the outdoor lighting, as installed conforms to the proposed photo-metrics and the Letter of Substantial Compliance.
- C. Changes:
 - 1. If the as-built construction contains minor changes from the approved MDO Development Order plans that are inconsequential that do not substantially effect the technical requirements of the LDC, an Application for a Minor Change (see LDC Section 10-120) may be submitted along with a the Letter of Substantial Compliance and a letter providing the information as listed in 1(B) above.

Pursuant to LDC Section 10-183(a), please submit:

- a. A site plan, verifying the changes along with adequate information to assure compliance with LDC Section 34-625.
- 2. If the as-built construction contains changes from the approved MDO Development Order plans that affect the technical requirements of the LDC or, which exceed the limitations of LDC Section 10-120 for minor changes, an Application for an Amendment (see LDC Section 10-118) must be submitted and approved prior to submission of a Letter of Substantial Compliance by the Engineer.

Information: If any outdoor light fixture or type of light source therein has changed after the MDO Development Order has been issued, a change request or MDO Development Order Amendment must be submitted for approval along with adequate information to show compliance with LDC Section 34-625(f)(2).
