

**REQUEST FOR A PRE-APPLICATION MEETING
to Permit a
Mine Excavation Planned Development (MEPD)
For Unincorporated Areas Only
PER LCLDC SECTION 12-108**

NOTE: This form must be used by applicants requesting a pre-application meeting with Lee County Staff and related entities for the purpose of discussing a plan for the rezoning or development of a mine operation in unincorporated Lee County prior to submittal of a formal application. The applicant must attend a pre-application meeting with appropriate staff prior to submittal of the MEPD application. Subsequent to the meeting, County staff will provide the applicant with a memorandum outlining issues relevant to the applicant's future submittal. This memorandum is intended to assist the applicant in preparing the formal submittal and does not confer any specific rights with respect to approvals or submittals. The applicant is responsible to provide maps and other documentation necessary to facilitate the review and discussion with staff.
