Lee County Community Development March 2016 Permit Report

Fort Myers, Fla., April 1, 2016 — During March, contractors pulled 100 permits to build single-family houses collectively valued at about \$20.7 million in unincorporated Lee County. That compares to 84 permits issued in February 2016 and 93 issued in March 2015, according to the Lee County Department of Community Development. Data for 2015 includes permits for the Village of Estero.

Also during March, six multi-family units valued at about \$900,000 were permitted, compared to 27 units in February and 183 units in March 2015.

General commercial activity was valued at about \$8.1 million for 22 permits, compared to about \$6.2 million in February and about \$13.9 million in March 2015.

Lee County Community Development issued 4,161 permits of all kinds in March.

Lee County Community Development oversees planning, zoning, development and building services, environmental review, building inspection and code enforcement for the unincorporated areas of Lee County.
