

Lee County Human Services Seeking Contractors

Lee County Department of Human Services is looking for licensed and insured general contractors and subcontractors to complete federal grant-funded repairs of owner-occupied residential properties.

The Housing Services Program includes repair or replacement of roofing, electrical, HVAC, plumbing, septic, well, and some interior deficiencies for current housing rehabilitation programs. All trades are welcome. All bid opportunities are posted on the DHS website.

Section 3, Disadvantaged/Minority/Women-owned businesses are encouraged to complete a vendor application and bid on jobs.

Please contact Jeannie Sutton at 239-533-7926 or jsutton@leegov.com or visit our website www.leegov.com/dhs/housing/contractors for a vendor application, current bid opportunities, and more information.
