

Fort Myers, FL, May 13, 2015 - Lee County Department of Human Services uses Community Development Block Grant (CDBG) funding to assist income qualified owner-occupants to complete necessary repairs to their homes, as well as Neighborhood Stabilization Program funding to purchase, rehabilitate and resell foreclosed or abandoned properties in target areas throughout Lee County.

The county's Housing Services Program is looking for licensed and insured general, building and residential contractors to participate in the county's current housing rehabilitation programs. All bid opportunities are posted on the Human Services website.

Section 3, minority and women-based contractors are encouraged to complete an application and bid on jobs.
