### 1. Road Work/Maintenance/Improvements:

**Alico Road Widening from Ben Hill Griffin Parkway to west of Airport Haul Road - Construction Project:** This project consists of widening Alico Road to four lanes. The project also includes medians and multi-use paths.

- Lee County Department of Transportation urges bicyclists to avoid Alico Road between Ben Hill Griffin Parkway and Airport Haul Road. This is an active

construction site with limited shoulders and should be avoided for safety purposes.

- Expect large vehicles entering and exiting Alico Road. Motorists should use caution in the area.
- Expect intermittent lane closures at the intersection of Alico Road and Ben Hill Griffin Parkway.

The contractor is Tomahawk Construction. The project cost is \$18 million. The project is expected to be completed by late spring 2021. For further questions, please contact Kris Cella at 239-337-1071.

**ATMS Phase 2 Project – Advanced Traffic Management System:** SICE/Y-COM/C&E (Systems Integration Technology Company) will be working in different locations doing directional bores, forming and pouring concrete for boxes, for the ATMS System.

**Week of - 4/13/20 through 4/15/20**

*YCOM, punch list, at several locations*

*The work will start at 7:30 a.m. and continue until 5:00 p.m. through the week. For further questions, please call Keith Lightner at 786-682-2999 or David Valverde at 206-499-3392.*

**Austin Street Drainage & Sidewalk Improvements:** Lee County DOT along with Denco Construction will be making drainage and sidewalk improvements along Austin Street (between Woodland and Sunrise). Work will begin on Monday, January 27, 2020 and the project is expected to be **completed by June, 2020**. This project will be a flagging operation during daytime work hours. Traffic, as well as, pedestrians are encouraged to use extra caution in this area. For further information, please call DJ Padgett at 239-533-9306.

**Beacon Manor Drive:** Lee County DOT along with a contractor will be making **improvements on Beacon Manor Drive (between US 41 and Danley Drive)**. Utility, drainage and sidewalk work will be included in the project. Work is expected to start on February 3, 2020 and be **completed by October, 2020**. During construction, motorists should be prepared to stop and expect delays when work is active. Also, during beginning phases of the project, the dedicated right turn at US 41 will not be accessible. Drivers and pedestrians should use extra caution in this area. For further questions, please call Alex Slaibe at 239-533-8141.

### **Burnt Store Road from Diplomat Parkway to Tropicana Parkway: Construction**

**Project:** This project consists of the initial widening of Burnt Store Road to four lanes. The project also includes installation of conduits under the road for the City of Cape Coral. Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours, weather permitting.

- Construction has been completed for the road-widening portion of the project. Lighting installation will be completed by Spring 2020.
- Motorists should expect intermittent lane closures for crews to install lighting within the project limits.

This middle segment from Diplomat Parkway to Tropicana Parkway costs \$6.7 million and the City of Cape Coral's utility conduits are \$550,000. The contractor is Wright Construction. For further questions, please contact Lisa Macias at [239-337-1071](tel:239-337-1071).

### **Lee County RWA – April 8, 2020**

#### **Estero Boulevard Construction – reFRESH Estero Boulevard/Waterlines – Strandview Avenue to the south end of the island.**

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk and rebuilding roadway on Estero Boulevard from Strandview Avenue to the south end of the Island. **Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and most Saturdays.

**Bayland Road to Dakota Avenue** – Southbound traffic is shifted to the center lane while crews work on the beachside.

**Dakota Avenue to Lazy Way** – Northbound traffic is currently shifted to the center lane while crews work on the bayside.

- Friday, April 10, crews are expected to shift the north and south bound traffic to the bayside for beachside work.

**Lazy Way to Lanark Avenue** – The center lane is closed for storm drain installation.

- **Lazy Way to Aberdeen Avenue** - Barrels separate the northbound and southbound lanes. Motorists should expect to make U-turns when accessing properties on the opposite side of the road from the travel lane. Motorists exiting side streets and driveways from Lazy Way to Aberdeen Avenue must make right turns onto Estero Boulevard and then make a U-turn.

**Lanark Avenue to Gulf Drive** - Northbound traffic is shifted to the center lane while crews work on the bayside.

**Gulf Drive to the south end of the island** - North and south bound traffic is currently shifted to the bayside while crews work on the beachside.

- **Flamingo Street to Albatross Street** - Friday, April 10, crews are expected to shift the north and south bound traffic to the beachside for bayside work.
- Motorists should expect intermittent one-lane traffic at Lenell Road and from Buccaneer Drive to the south end of the island. Flaggers will alternate traffic frequently, but motorists should expect delays.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For further questions, please contact Cella Molnar & Associates at 239-337-1071.

**Littleton Road – Kismet Parkway Realignment: Construction Project** – The project realigns the Littleton Road/Kismet Parkway intersection at NE 24th Avenue and adds a roundabout at the intersection of Littleton and Corbett roads. The contractor, Thompkins Contracting, Inc., will also add bike lanes, sidewalks, intersection lighting, and drainage improvements. Crews are currently performing earthwork throughout the project area. Beginning Monday, April 13 motorists traveling Corbett Road should expect flaggers onsite to assist as the contractor moves material across Corbett Road. This work is anticipated to occur through the week. Drivers are asked to use caution as construction vehicles enter and leave the roadway, and crews work close to the travel lanes. Estimated completion is end of 2020. Project cost is approximately \$2 million. The contractor is Thompkins Contracting, Inc. For further questions, please visit [www.LittletonRoadWidening.com](http://www.LittletonRoadWidening.com) or contact Jennifer Dorning at 239-338-7723.

Additional work includes construction of a median separating two 12-foot travel lanes in each direction, 6.5-foot inside paved shoulders, bike lanes, a 5-foot sidewalk on the north side and a 10-foot shared-use path on the south side. The project will also add a grass median and LED lighting throughout this segment. The expected completion date is end of 2020. The Contractor is Sacyr Construction.

For further questions, contact Lisa Macias, Cella Molnar & Associates, at 239-337-1071.

**US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard:** Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- Motorists should expect Hanson Street closed on the east side of US 41/Cleveland Avenue.
- Motorists should expect a new traffic pattern from Coronado Road to south of Linhart Avenue. A new traffic delineator restricts all left turns in this area.
- Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project, weather permitting.

- Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion date is the end of spring 2022. The Contractor is Ajax Paving Industries of Florida, LLC.

**Winkler Road Sidewalk Project:** Lee County DOT along with Denco Construction will be making improvements on Winkler Road between College Parkway and McGregor Boulevard. Work will include water main replacement, drainage improvements and a new sidewalk along the east side of Winkler. The project is expected to begin on Monday, February 24, 2020 and be completed by December, 2020.

- **After April 12, 2020, daytime lane closures will be in effect from 9 a.m. to 4 p.m.** This will be a flagging operation in the work zone. Drivers and pedestrians should use extra caution while traveling through this area.

For further questions or concerns, please call DJ Padgett, Lee County DOT, at 239-533-9300.
