Initiated by: Michael Tisch, Public Works Manager, Gateway Services Community Development District

Recommended by: Bryan Miller, Senior Project Manager (LCDOT)

Studies on file: Request dated November 28, 2017 from the Gateway Services District requesting No Parking or Standing zones at locations where school related traffic is parking roadside thereby damaging landscape and irrigation facilities located in the rights-of-way. School arrival and dismissal queues are also blocking mainline Gateway Boulevard traffic lanes due to on-road standing vehicles. Gateway Services District has the responsibility for maintenance of all sod, landscaping, and irrigation located in the rights-of-way by Agreement with Lee County. Gateway Services District has discussed these traffic concerns with the private and charter schools administrative staff that are located on or near Gateway Boulevard.
