

Regulation Number: 1,028

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

N/A

Date Issued

May 2, 2018

Location: Colin Avenue N. @ 16th Street W.

I hereby direct that the existing 2-way Stop controls with 16th Street W. preferential be reversed with Colin Avenue N. designated as the preferential street

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

Initiated by: Stephen M. Jansen, P.E., P.T.O.E.

Recommended by: Stephen M. Jansen, P.E., P.T.O.E.

Studies on file: Field observations indicating that the higher approach volume street is Colin Avenue N. based on the area street network. Colin Avenue N. functions as a residential collector road, with 16th Street W. as a local street. There is no apparent rationale based on existing traffic conditions and street network for 16th Street W. to be the preferential street. 16th Street W. terminates to the west of the intersection at a Canal. Reversing the stop controls will bring the intersection control into compliance with recommended MUTCD guidelines.
