**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION / TRAFFIC SECTION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

July 10, 2019

Date Issued

June 25, 2019

Location: Joan Avenue N @ 48th Street W, 49th Street W, & 50th Street W

I hereby direct that there be a existing stop controls on Joan Avenue N be reversed with Joan Avenue N designated as the preferential street.

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

Initiated by: Heather Gonzalez

Recommended by: Kelly Mutz; Senior Traffic Engineering Technician

Studies on file: Based on the area street network and field observations the higher volume street is Joan Avenue N. Joan Avenue N functions as the main road, with 48th Street W thru 50th Street W operating as local minor streets. There is no apparent rationale based on existing traffic conditions and street network for Joan Avenue N traffic to stop at each of the identified minor side streets. 48th Street W thru 50th Street W terminate to the west of Joan Avenue W at a canal. Reversing the stop controls will bring the intersections controls into compliance with recommended MUTCD guidelines.
