

**FLEET MANAGEMENT
POLICY / PROCEDURE**

SUBJECT: USE OF SAFETY GLASSES

APPROVED: *Marilyn L. Rawlings*
MARILYN L. RAWLINGS, FLEET MANAGER

DISTRIBUTION:

Fleet Management

PURPOSE:

To establish department procedures for the use of safety glasses.

PROCEDURE:

Whenever under a vehicle or piece of equipment you are required to use safety glasses to keep debris out of the eye, especially when cleaning, scraping or in any way disrupting dirt or accumulated debris attached to a vehicle or piece of equipment. Failure to use the proper protection may result in serious injury to the eye and may result in disciplinary action.
