**Lee County Fleet Management recognized**

Fort Myers, FL, June 18, 2015 — *Government Fleet* Magazine has selected Lee County Fleet Management as No. 12 for its list of the Top 20 Leading Fleets for 2015.

The award, sponsored by *Government Fleet* Magazine and Ford Motor Company, recognizes operations that are performing at a high level, particularly in fleet leadership, competitiveness and efficiency, planning for the future and overcoming challenges.

Fifty Leading Fleets are selected each year as representing the best in the industry. Among these, the Top 20 were ranked and recognized at the Government Fleet Expo and Conference (GFX) in Denver earlier this month. Additionally, Government Fleet recognized the top fleets in size categories: Small fleet (499 or fewer assets); Mid-size fleet (500-999 assets); and Large Fleet (1,000 or more assets).

Lee County is in the large fleet category with 1,853 pieces. Others in that category include Boston, Houston, Phoenix, Indianapolis and Columbus, Ohio. Two other Florida counties, Sarasota and Manatee, were also named to the list.
