Commercial Water and/or Sewer Service Application

Please Print or Type:

Contractor: _____

Site Address: _____

Strap Number: _____ Lot: _____ Block: _____

Customer Name (for billing): _____

Billing Address: _____ Fax Number: _____

_____ Business Phone: _____

Contact Person(s) _____ Cell Phone: _____

Type of Service: Water: _____ Water & Sewer: _____ Sewer: _____ Meter Size if applicable: _____

Commercial Service: Please fill out the attached worksheet.

Type of Commercial Business: _____ Number of Units: _____

The County reserves the right to review the amount of water and/or sewer usage and shall bill to the owner or applicant any adjustments to the water and sewer Connection Fee for capacity use in excess of the amounts paid by the owner or applicant. Any additional Connection Fee payments shall be billed to the owner or applicant at the same rate that was initially charged at the time of service application.

All commercial locations must have backflow prevention devices installed prior to meter installations.

Per Lee County Utilities Design Manual: "Any customer, as deemed necessary by Lee County Utilities, shall have appropriate and approved operating backflow prevention device(s) in accordance with Section 5.6. Customers are responsible for the installation and maintenance of backflow prevention devices. Any backflow prevention devices not installed and operating properly shall constitute grounds for immediate water disconnection.

All backflow prevention devices shall be inspected and tested initially and annually by a DLCU approved Certified Backflow Prevention Device Technician, currently registered with Lee County Utilities."

Contact the Cross Connection Control Program Manager at 239-533-8181 should you have any questions.

The first bill for every new account will reflect a \$45.00 initial service charge. This is a water service fee for obtaining a beginning meter read and establishing billing and accounting records.

Accounts are billed monthly. Bills not paid by the date due as shown on the bill are considered late. Payments "in the mail" do not constitute payment. When accounts are turned off for nonpayment, a reconnection service charge will be due.

PLEASE READ AND SIGN BELOW:

1. I hereby request and authorize Lee County Utilities to supply water and/or sewer service to the above described property until receipt of formal notice from me requesting discontinuance of such water and/or sewer service.
2. I agree to promptly pay for said water and/or sewer service at the rates established by the Lee County Utilities and within the time periods delineated in the Lee County Utilities Customer Service Manual.
3. I hereby agree to abide by the rules and regulations applicable to said water and/or sewer service as delineated in the Lee County Utilities Customer Service Manual.

Rendering of services covered by this document is subject to clearance from LCU Engineering Department.
