

# Aetna Get Active

## Great Job Lee County!

Aetna Get Active Pacific Crest Trail Challenge was a steps challenge that employees throughout the county participated in during the past 6 weeks. We had **673 walkers** on **82 different teams** participating! During the Pacific Crest Trail Challenge walkers traveled from the Mexican border to the edge of Canada, the route was brutal and breathtaking through the wild west's deserts, mountains, and forests. Teams unlocked stories and survival tips for every destination they reached.

Lee County took over **211,699,478 steps** or **105,849 miles!** Each walker took an average of **314, 560 steps** over 6 weeks!

**Congratulations to our top three teams: Fly Girls; Lee County DCD; and The Sole Train Steppers!**
