

## Group Volunteer Application

The Lee County Library System is dedicated to strengthening our community by informing and enriching individuals. By becoming a Volunteer Group Leader for the Lee County Library System you will become an integral part of our mission. We appreciate the efforts of each of our volunteers. Please contact Library Administration Volunteer Services at 239-533-4815 with questions.

### Responsibilities

It is vital to keep track of the service hours you and your team of volunteers contribute. This information is collected by Volunteer Services whenever you complete volunteer hours. Before you get started, notify your Library's Branch Volunteer Coordinator to schedule the time to complete your volunteer hours. Please remember that while you are volunteering, you and your group will be representing Lee County. A Volunteer Handbook will be provided to you once you have been approved as a volunteer group. A sign in sheet must be completed by the group leader and returned to the Library Branch Volunteer Coordinator after volunteer hours are completed.
