

## CESQG Collection Days

Lee County Solid Waste will be hosting business regulated waste collection days throughout the year at 6441 Topaz Court in Fort Myers. The map above shows direction to the collection site at the rear of the building. These collection days are open to all Conditionally Exempt Small Quantity Generators (CESQG) of regulated waste. CESQGs are businesses that generate less than 220 Lbs of regulated waste or less than 2.2 Lbs of acute regulated waste per month. The CESQG must obtain a disposal receipt for all waste disposed of at this site. In order to schedule your drop off appointment and for information and pricing, please contact:
