RE: B-140052 price increase

To whom it may concern;

As a condition of renewing bid B-140052, Davis Supply is asking for an increase in the sales price of the calcium hypochlorite granular. Due to two price increases totaling five dollar from our vendor, we are asking for \$126.50 per 100 lb bucket of calcium hypochlorite granular.

Thank you for your business, time, and consideration. It's been a pleasure servicing Lee County and we look forward to servicing you in the future. Feel free to contact us anytime. Davis Supply strives to maintain our relationship with you, our valued customer. We look forward to hearing from you.

Sincerely,

James H. Davis
President
