The Division of Procurement will notify using agencies and vendor in writing of the effective date of any increase, which is approved. However, the Vendor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. Failure to do so will result in action to recoup such amounts.

No fuel surcharges requests will be considered or granted for the first three months after the initial award of the quote. Such surcharges, if granted, will be considered temporary. At the time of request, the vendor shall indicate the period of time the surcharges will be necessary. At the expiration of that time the surcharge will be reviewed again and may be reviewed or extended.
