#### **XV. STOP WORK ORDER**

The County may, at any time, by written order to the Contractor, require the Contractor to stop all or any part of the work called for by this Agreement. Any order must be identified specifically as a stop work order issued pursuant to this clause. This order shall be effective as of the date the order is delivered to the Contractor. Upon receipt of such an order, the Contractor must immediately comply with its terms and take all reasonable steps to

minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. The Contractor must not resume work unless specifically so directed in writing by the County. The County may take one of the following actions:

1. Cancel the stop work order; or
2. Terminate the work covered by the order; or
3. Terminate the Agreement in accordance with provisions contained in Section XIII.

In the event the County does not direct the Contractor to resume work, the stop work order may be converted into a notice of termination for convenience pursuant to Section XIII. The notice period for such termination shall be deemed to commence on the date of issuance of the stop work order. In the event the County does not direct the Contractor to resume work within ninety (90) days, the Contractor may terminate this Agreement.

#### **XVI. CONTRACTOR WARRANTY**

- B. If any product delivered does not meet performance representations or other quality assurance representations as published by manufacturers, producers or distributors of the products or the specifications listed in this Agreement, the Contractor must pick up the product from the County at no expense to the County. The County reserves the right to reject any or all materials if, in its judgment, the item reflects unsatisfactory workmanship or manufacturing or shipping damage. In such case, the Contractor must refund to the County any money which has been paid for same.
- C. Contractor shall secure from the applicable third party manufacturers, and assign and pass through to the County, at no additional cost to the County, such warranties as may be available with respect to the equipment, parts and systems provided through the Purchase.

#### **XVII. MISCELLANEOUS**

No amendment, change or addendum to this Agreement is enforceable unless agreed to in writing by both parties and incorporated into this Agreement.

- B. The Contractor must not assign any interest in this Agreement and must not transfer any interest in same (whether by assignment or novation) without the prior written consent of the County, except that claims for the money due or to become due to the Contractor from the County under this Agreement may be assigned to a financial institution or to a trustee in bankruptcy without such approval from the County. Notice of any such transfer or assignment due to bankruptcy must be promptly given to the County.
- C. The exercise by either party of any rights or remedies provided herein shall not constitute a waiver of any other rights or remedies available under this Agreement or any applicable law.

- E. The parties covenant and agree that each is duly authorized to enter into and perform this Agreement and those executing this Agreement have all requisite power and authority to bind the parties.
- F. Neither the County's review, approval or acceptance of, nor payment for, the products and services required under this Agreement must be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.
- G. If the Contractor is comprised of more than one legal entity, each entity must be jointly and severally liable hereunder.
