Fire Rescue Contract Terms and Conditions Rev 2-8-18

1.02 PURPOSE

The purpose of this bid is to establish a twenty-three (23) month contract with manufacturers and authorized dealers for the purchase of vehicles and equipment on a “no trade-in basis”.

Trade-ins are not addressed in this contract. If a purchaser has a desire to offer vehicles/equipment for trade to the vendor, the purchaser and dealer may do so at their sole discretion, separate and apart from this contract.

1.03 TERM OF CONTRACT

This contract shall remain in effect for twenty three months from date of contract execution by the FSA Cooperative Purchasing Program Administrator – specifically beginning May 4, 2018 and ending March 31, 2020.

In the event that the contract is held beyond the stated term where no renewal has been initiated, it shall be on a month-to-month basis. The month-to-month extension shall maintain the same terms and conditions of the contract, as well as award pricing.

On an annual basis and prior to completion of each contract term, the FSA may consider a price adjustment due to changes in the Producer Price Index (PPI) or as a result of any changes to national or state standards that require substantial cost adjustments. FSA may also consider a vendor-requested midterm pricing adjustment due to documented substantial increases by the manufacturer.

Prices may be increased or decreased by the percentage change reflected in the nationally published Producer Price Index. For a midterm adjustment, the PPI used shall refer to the index 60 days prior to the contract anniversary date. FSA may consider this pricing adjustment or the vendor can request a pricing adjustment under this provision.

1.04 ESTIMATED QUANTITIES

In FY 2016-18, eligible users purchased approximately 420 vehicles from this contract. These estimated figures are given as a guideline for vendors preparing bids. Quantities provided do not guarantee or imply future contract sales.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Office of the Sheriff in the State of Florida is a constitutional office. Each sheriff has the authority to execute contracts for goods and services for the proper conduct of this office. Section 30.53, Florida Statutes, exempts the sheriffs’ offices from the provisions of the Florida Statute requiring sealed and competitive bids.

It is the FSA practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Nothing in this proposal in any way obligates the participating sheriffs’ offices for any payment for any activity or costs incurred by any bidder in responding to this proposal.

1.06 CURRENCY

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollar.

FSA has the right to assess fines as outlined in Section 3.26 Fines, based on audit results.

1.36 LIABILITY, INSURANCE, LICENSES AND PERMITS

Where bidders are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all work complies with all applicable county and municipal code requirements. The bidder shall be liable for any damages or loss to the FSA or purchaser occasioned by negligence of the bidder or any person the bidder has designated in the completion of the contract as a result of his or her bid.

1.37 BID BONDS, CERTIFICATES OF INSURANCE AND PERFORMANCE BONDS

Bid bonds shall be submitted with the bid submission in the amount specified on the individual specification bid document or a single bond for the cumulative amount of bids submitted. Bidders are also required to submit a performance bond letter from a bonding company at time of bid submission.

After acceptance of bid, the FSA will request a Certificate of insurance from the successful bidder.

Purchaser may request a performance bond from an vendor. Performance Bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.38 ELIMINATION FROM CONSIDERATION

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

This Invitation to Bid shall not be awarded to any person or bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.39 COLLUSION

Collusion is a non-competitive secret or sometimes illegal agreement between bidders that attempts to disrupt the contract process. Collusion involves people or companies that would typically compete, but are conspiring or working together in which the outcome results in an unfair bid advantage. The parties may collectively choose to agree to increase or decrease its product base price to maximize awards thus denying the public a fair price.

Examples of Bid Collision:

- Cover bidding: a competitor agrees to submit a non-competitive bid that is too high to be accepted or contains terms that are unacceptable to the purchaser.
- Bid suppression or withdrawal: a competitor agrees not to bid or to withdraw a bid from consideration.
- Market sharing outside of a manufacturer's recognized territory: a competitor agrees to submit bids only in certain geographic areas or only to certain public organizations.
- Bid rotation: competitors agree to take turns at winning business while monitoring their market shares to ensure they all have a predetermined slice of the pie.

Bidders or vendors who have been found to have engaged in collusion will be considered nonresponsive, and will be suspended or barred from bid participation. Any contract award resulting from collusive bidding may be terminated for default.

Vendors or dealers and their representatives may submit multiple bids without conflict of collusion if the bid submitted is not from the same manufacturer and product line. Dealerships which share the same ownership may submit multiple bids without conflict of collusion if the bidders are not in the same region featuring the same manufacturer and product line.

1.40 DEFAULT

Failure or refusal of a bidder to execute a contract upon award or withdrawal of a bid before such award is made, may result in forfeiture of the bid surety required that is equal to damages incurred by the FSA. Failure to execute a contract when surety is not required may be grounds for removing the bidder from the awarded Vendor's list.

In case of default on the part of awarded bidder, after such acceptance, the FSA may procure the items or services from other sources.

1.41 PROTESTS AND ARBITRATION

Options are for informational purposes only and will not serve as a basis for protest.

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA Coordinator within 3 business days after the posting of the Intent to Award. A formal written protest must be filed within 10 calendar days after the posting of the Intent to Award. Failure to file both a notice of protest and then a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity and corrective action will be taken contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any person who files an action protesting a decision or intended decision pertaining to this contract shall post with the Florida Sheriffs Association at the time of filing the formal written protest or within the 10 day period allowed for filing the formal written protest, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to \$5,000.00, which bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within 72 hours of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within 10 days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to \$5,000.00. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.42 NONPERFORMANCE

The vendor shall at all times during the contract term remain responsive and responsible. In determining vendor's responsibility, the Administrator shall consider all information or evidence that demonstrates the vendor's ability or willingness to fully satisfy the requirements of the solicitation and the contract.

Vendors that are not in compliance with the provisions of this contract can be assessed fines, suspended or terminated from the contract. The Administrator has the discretion to remove a noncompliant vendor from future solicitations.

At the Administrator's discretion, vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result in termination from the existing contract and possibly future competitive bid solicitations.

In situations where there is evidence that the vendor has demonstrated egregious breaches of contract with the FSA or a purchaser, the contract can be terminated and the vendor will be removed from future solicitations for a period of three (3) years and up to a permanent ban from the bid process.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

Specific conditions for termination include, but are not limited to, failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or dealer installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, misrepresentations of optional equipment or service as being factory, and any other practice deemed to be outside of the intent of the contract.

Any vendor presented with a valid purchase order is required by this contract to accept the purchase order and deliver the product. Orders must be fulfilled if the vehicle or equipment is a base model or whether it includes options. The vendor must deliver the product if they were awarded the contract – regardless of profit or loss.

Failure to deliver the vehicle or equipment may result in the purchaser seeking damages for the difference of cost to issue the exact same order with another vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA may seek damages for nonpayment of administrative fees, to which FSA is entitled, according to section 3.25, and any attorneys fees incurred in the recovery of these damages.

1.43 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.44 TERMINATION FOR DEFAULT

If through any cause within the reasonable control of the successful bidder, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice shall be given to the vendor of such termination, which shall become effective upon receipt of the written termination notice.

Notwithstanding the above, the vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the vendor, and the FSA may reasonably withhold payments to the vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the vendor is determined.

1.45 TERMINATION FOR WITHOUT CAUSE OF FSA

The FSA can terminate the contract in whole or part without cause by giving written notice to the vendor of termination for convenience. This termination shall become effective 30 days following receipt by vendor of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balanced of the Agreement or cancellation charges.

Fire Rescue Contract Terms and Conditions Rev 2-8-18

shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the Florida Sheriffs Association and participating agencies.

Vendor's obligations under the above paragraph with respect to legal action are contingent upon the Florida Sheriffs Association and/or participating agencies giving the bidder (1) written notice of any action or threatened action, and (2) the opportunity to take over and settle or defend any such action at bidder's sole expense. Vendor shall not be liable for any cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies in any legal action without bidder's prior written consent, which shall not be unreasonably withheld.

The vendor shall be responsible for the work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular contract.

The vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the Vendor is acting as an independent contractor.

The vendor at all times during the full duration of work under this contract, including extra work in connection with this contract shall meet the requirements of this section.

The vendor shall maintain automobile liability insurance including property damage covering all owned, non-owned or hired automobiles and equipment used in connection with the work.

No change or cancellation in insurance shall be made without 30 days written notice to the FSA Cooperative Purchasing Program Administrator.

Upon expiration of the required insurance, the Vendor must submit updated certificates of insurance for as long a period as any work is still in progress.

It is understood and agreed that all policies of insurance provided by the Vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract.

All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure. No deductibles will be allowed in any policies issued on this contract unless specific safeguards have been established to assure an adequate fund for payment of deductibles by the insured and approved by the FSA Cooperative Purchasing Program Administrator.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

The vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public in and up to the amount of \$1,000,000 for each occurrence and for all damages to the property of others in and up to the amount of \$1,000,000 for each occurrence per the insurance requirement under the specifications including costs of investigation, all expenses of litigation,

The vendor will notify their insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract, and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The vendor will secure and maintain policies of third party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the Vendor and all third party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the Vendor and all third party suppliers of their liabilities and obligations under any Section or Provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third party suppliers and of persons employed by them as he is for acts and omissions of persons directly employed by him.

Insurance coverage required in the Specification Bid Document shall be in force throughout the contract term. Any insurance requirements listed in the specification bid document supercedes the amounts listed in the required insurance checklist. The Required Insurance Checklist is an acknowledgment of future insurance obligations, if awarded.

Additionally, any vendor that uses a third party supplier for remount services must ensure that the third party supplier maintains the insurance requirements in Section 3.13.

The Administrator can request and the vendor shall furnish proof of insurance within seven days of receipt of the written request from FSA. Should the vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA shall have the right to consider the contract breached and justifying the termination thereof.

If bidder does not meet the insurance requirements of the specifications; the Administrator may consider alternate insurance coverage.

2.04 SPECIFICATIONS

All units covered by this contract and the base specifications shall be the manufacturer's current basic production model, and at a minimum shall be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the bid document. If awarded, bidders must supply a unit that meets or exceeds the requirements included in the applicable base specifications.

Bidders are required to provide information on price sheets, to include as manufacturer and model number of various components. Failure to provide this may have their bid rejected.

All equipment, options, and features provided must be designed, constructed, and installed to be fully suitable for their intended use and service.

2.05 FIXED PRICES

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

If the bidder is awarded a contract under this Invitation to Bid, the prices quoted by the bidder on the Bid Forms shall remain fixed during the term of this contract, unless otherwise addressed in a contract extension.

2.06 SEALED BIDS

A sealed bid is a completed bid submission that is sent to the FSA in a sealed package clearly marked with the Bid Title and Number. One original binder of the entire bid submission, including all required documents, and an electronic copy on a labeled USB flash drive, must be turned in for the bid to be considered for award.

Sealed bids should be sent to the attention of FSA Cooperative Purchasing Program Coordinator, Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, FL 32308.

Faxed or e-mailed bids will not be accepted.

2.07 EXCEPTIONS TO TERMS AND CONDITIONS

Any exceptions, deviations, or contingencies a bidder may have to the terms and conditions must be documented in bidder's submission. At FSA's discretion, exceptions, deviations, or contingencies stipulated may result in disqualification of a bidder's submission.

2.08 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the bidder's risk.

2.09 EQUIVALENTS

Bidders must first request approval from the Administrator before submitting a bid that includes an equivalent that will supplement an item on the base specification. The Administrator will determine whether the proposed equivalent is equal to or exceeds the quality, design and construction than the intended replacement item in the base specification.

Bidders must provide the manufacturer name and model number (or product identifier) of each equivalent when seeking approval. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with specific replacement item.

If the equivalent is approved, the bidder must include the supporting material in the bid submission. Bids will not be considered without this information. If a bid uses equivalents without prior approval, the bid will be deemed nonresponsive.

Vendors offering alternate makes and manufacturers of vehicles or equipment that are not specifically identified in the bid, cannot publish or offer the unapproved equivalents. Offerings of this nature will cause the bid to be rejected. If such offerings are identified after the award has been granted, the offerings, specification or entire award can be removed by the Administrator.

When selling equivalents, vendors must disclose to the purchaser that an approved equivalent is being offered.

2.10 QUALIFICATION

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

Prospective bidders are required to prequalify by completing all qualification forms prior to the mandatory pre-bid meeting. Details for the mandatory pre-bid meeting are published on the bid calendar.

These forms include:

- Drug-Free Workplace Form,
- Insurance Checklist, and
- Manufacturer Certification Form for each manufacturer bid by bidder.

Insurance coverage required in the Specification Bid Document shall be in force throughout the contract term. Any insurance requirements listed in the specification bid document supercedes the amounts listed in the required insurance checklist. The Required Insurance Checklist is an acknowledgment of future insurance obligations, if awarded.

These forms are available through the online registration process, online at www.flsheriffs.org and are located in the appendices.

A bidder becomes a qualified bidder if they submit the above forms as required and applicable.

2.11 MANDATORY PRE-BID MEETING

Prospective bidders are required to attend the mandatory Pre-Bid Meeting. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA Cooperative Purchasing Team to meet in person to clarify questions on the terms and conditions and to confirm all base specifications are correct.

Bidders have the opportunity to suggest technical modifications or corrections before the specifications are finalized. Questions relating to the specifications, the bid process, or award can be asked at the Pre-Bid Meeting.

FSA reserves the right to grant attendance exceptions to the mandatory meeting if the bidder has requested prior authorization has met all prequalification requirements and agrees to sign a memo of understanding (MOU) and agree to meet all the terms and conditions without exception and further waive their right to protest the bid process in its entirety or any portion thereof.

2.12 PRICES QUOTED

Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of 60 calendar days from the date of bid opening. Each specification must be priced and bid separately.

Prices should reflect the final cost the bidder can expect to receive for payment for the specifications bid. These prices must be inclusive of all of the components included in the base specification. Discount percentage will be clearly indicated on the specification bid document as a whole figure and will accurately reflect the amount the base vehicle has been discounted.

Prices bid, including options, must include the administrative fee FSA charges to administer the contract, as outlined in Section 3.25 Administrative Fee.

Prices must be Free On Board (FOB) destination, unless otherwise stated in the Bidder Instructions.

Once awarded, the vendor has the authority to offer discounts for prompt payment. Cash or quantity discounts offered will not be a consideration in determination of award of the bid.

2.13 OPTION PRICING

Options may be sold, but only in connection with the sale of a base specification. The bidder shall offer a discount on manufacturer options.

Bidder cannot include options that result in the selling of a unit that is offered as a separate specification. The use of options to facilitate the sale of an alternate manufacturer's product that is outside the scope of the base specification will be deemed in violation of the contract. The bid or award will be rejected in whole or part by the Administrator.

2.14 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence as indicated in the Bid Calendar (Appendix G). During this period all communications regarding this solicitation between FSA and bidders will cease.

The responsibility for submitting a bid before the stated time and date is solely and strictly the responsibility of the bidder. Bids shall be publicly opened on the date and time specified on the Bid Calendar.

2.20 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will occur during the bid opening and evaluation period. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the bid and corresponding specifications.

A determination of responsiveness includes, but is not limited to:

- Whether the bid was timely submitted and delivered to the correct location;
- The bid guarantee, if applicable, was provided;
- Whether the specification bid document was properly completed;
- Pricing on all required items was included;
- Makes, model and model codes for all items offered were submitted; and
- The discount offered from the bidder was clearly indicated.

Examples of items for which a bid can be determined nonresponsive:

- Unapproved use of equivalents;
- Responses that do not meet all requirements; or
- Submissions that fail to provide all required information or supporting documents.

2.21 MINOR IRREGULARITIES

The Administrator has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the Administrator determines that it is best interest of the FSA or the purchasers.

2.22 RESPONSIBLE BIDDER CRITERIA

Criteria used to determine whether a bidder is responsible include:

- Adequate facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts; and
- Ability to provide excellent customer service.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible.

If the Administrator determines additional information is necessary to award the bid, FSA can request staffing, performance and financial information from any bidder during the evaluation process. Information requested can be similar, but not limited to the information required for first year bidders.

2.23 BASIS FOR AWARD

The Administrator determines which bid responses meet the specifications and contract requirements, and therefore which bidders are responsive and responsible.

The Fleet Advisory Committee serves as the initial review for bid submissions. The Fleet Advisory Committee's review is submitted to the Administrator for final evaluation and determination of award.

Prior to completion of each contract term, the FSA may consider a price adjustment due to changes in the Producer Price Index or as a result of any changes to national or state standards that require substantial cost adjustments.

Prices may be increased or decreased by the percentage change reflected in the nationally published Producer Price Index. The Administrator shall determine the PPI based on the initiated timing of the extension that best reflects adjustments to the economy over the previous 12 months (i.e. the PPI 60 or 90 days from the contract execution anniversary date).

In the event of changes to national or state standards, the vendor must present verifiable changes in cost to the Administrator. The Administrator will consider the cost changes and will make a final determination on the change in price.

For any vendor-initiated adjustment to begin on the first day of the renewed contract term, the vendor's request for adjustment should be submitted sixty (60) days prior to expiration of the contract term. The vendor request must clearly substantiate the requested increase. If no request is received from the vendor, the Administrator will assume that the vendor has agreed that the optional term may be executed without pricing adjustment. Any adjustment request received after the commencement of a new option period will not be considered.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

The FSA has the authority to accept the adjustment in price for the extended contract period or to allow the contract to terminate and re-advertise for bids, whichever is in the best interest of the FSA.

3.05 ADDITIONS AND DELETIONS

The FSA can add, remove, discontinue or suspend any specifications, or portions thereof, from this bid or awarded contract when it is deemed to be in the best interest of FSA and the purchasers.

This decision to take action may be based upon and not limited to:

- Few or no sales;
- Product recalls and other safety issues;
- Vendor or Manufacturer performance; or
- Lack of relevance of products/commodities.

3.06 DISCOUNTS

Discounts must be offered under this contract and shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for each specification and option listed. Discounts must be clearly documented in the bidders submission.

The dealer has the authority to offer additional discounts based on quantity, as well as additional manufacturer or vendor discounts.

Discounts are not required on any state or federal fees and charges.

Discount ranges are not permissible. Discounts must be a whole percentage with no decimal place (e.g. 10%).

3.07 PRODUCTION CUTOFF

Production cutoff refers only to cab and chassis configurations within bid specifications. The vendor shall notify the Administrator no less than 60 calendar days prior to the close of final order date by the manufacturer when the final order date is during the term of the contract. Notification shall be provided in writing.

Purchase orders received by the vendor 10 business days prior to the final order date must be accepted and entered into the order system with the manufacturer.

If a purchase order has been timely received by the vendor and the manufacturer fails to produce or deliver the production year vehicle, the vendor must provide the next year's equivalent model at current contract prices.

Purchase orders issued and received after the cutoff date will be subject to availability. In this case, the vendor and manufacturer have the discretion to choose whether to provide the next year's model at current year's prices until the end of the contract term.

If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the specifications, FSA may consider substitutions from the same manufacturer.

3.08 FACILITIES

The FSA reserves the right to inspect the vendor's facilities at any time with prior notice.

3.09 SUBSTITUTIONS

The FSA or purchasers will not accept substitute orders of any kind. Vendors are expected to furnish the brand quoted in the bid once awarded. Any substitutes will be returned at the vendor's expense. Delivery of substitutes and the delay in supplying the correct specification can be deemed grounds for termination for default.

3.10 EMERGENCY LIGHT AND SIREN CERTIFICATION STANDARDS

Under Florida Statute 316.003(1), authorized emergency vehicles are defined as:

Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corporations operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective department or the chief of police of an incorporated city or any sheriff of any of the various counties.

SAE Certifications must include Class 1, Class 2 and Class 3 in order to be eligible for participation in the FSA Contract. Bid submissions received without these certifications will not be evaluated for award.

3.11 FACTORY INSTALLED

All factory ordered options are to be original equipment manufacturer (OEM) and factory installed unless otherwise noted by the vendor and acknowledged in writing by the purchaser. Verbal agreements will not be recognized.

Aftermarket parts, modifications, and factory produced parts and components ordered and installed by a vendor that do not meet the requirements of factory installed components, will be rejected for noncompliance with the requirements of the specification.

FSA attempts to include scheduled, factory and aftermarket options in the bid document. If an agency requests a non-scheduled option that is not included in the bid document, the Vendor may provide this non-scheduled option. The Purchaser has the opportunity to request the Vendor's discount pricing for any non-scheduled options during the quote process. At no time should the non-scheduled option exceed MSRP or Published List Price.

Non-scheduled options should be listed as a separate line item and noted on the purchase order to include the price. All non-scheduled options are covered under these terms and conditions.

3.12 VENDOR INSTALLED

All such accessories must be manufactured by an established manufacturer of the product provided. Vendor is required to disclose Make and Model of product being offered and the location, design, and model must be approved by the purchaser prior to installation. Vendor must also disclose the warranty of any item that is less than or exceeds factory warranty coverage.

It is also the responsibility of the awarded vendor to certify that it has inspected the remounted module for structural integrity and will supply a statement that includes date, time, and photographic proof of the inspection process to the purchaser. The remounter shall have written work process documentation to substantiate each step of the product and present to the awarded vendor upon completion of the remount.

3.14 FORCE MAJEURE

A Vendor shall not be penalized for a delay resulting from the vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the vendor's control, or for any of the foregoing that third party suppliers if no alternate source of supply is available to the vendor.

3.15 DELIVERY TIME

4. All vehicles ordered prior to manufacturer's close of production and in accordance with the contract shall be supplied in the manufacturer's next model run of that class vehicle even if it requires supplying a later model at the original bid prices.
5. Vendor shall place the order with the manufacturer within 10 business days of receipt of the purchase order. The Vendor shall assure that all orders are placed in full compliance with the specifications of the Contract and the purchase order.
6. It is the Vendor's responsibility to ensure that the vehicle ordered by the Purchaser is fully compatible with all ordered options and that the vehicle complies with all applicable manufacturer and industry standards. The Vendor's acceptance of a Purchaser's order will indicate that the Vendor agrees to deliver a vehicle that will be fully compatible with all of its options.

Any additional information needed to complete this form should be obtained from the Purchaser. The form may be modified to accommodate each Purchaser as necessary.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition.

Vendor shall complete delivery of the vehicle to the purchaser within fourteen (14) calendar days of receipt of the vehicle from the manufacturer or equipment supplier. Vehicles originating as an incomplete vehicle would be exempt.

Receipt of a vehicle by the vendor is defined as acceptance of the vehicle from a common carrier at the Vendor's place of business or any third party's place of business.

Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws. Any delivery accomplished by driving a police rated vehicle must use an "OUT OF SERVICE" cover on light bars.

All deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchasing agency. Incomplete vehicles would be exempt. The Purchaser has the option to reject a vehicle with more than 350 odometer miles, or may deduct \$0.51 cents per mile in excess of 350 miles from the invoice, unless distance above 350 miles was previously approved by the Purchaser. This requirement also applies to redelivery of vehicles that were rejected upon initial delivery.

All warranties shall begin at the time of delivery to the Purchaser. The purchaser's warranty should not be active for incomplete vehicles or vehicles delivered to an upfitter before final delivery.

Vendor shall notify the purchaser no less than twenty four (24) hours prior to delivery of the time and location, which shall reflect the mutually agreed upon delivery details. All vehicles must contain no less than 1/4 tank of fuel as indicated by the fuel gauge at the time of delivery. For vehicles and equipment that have more than thirty five (35) gallons of capacity, a minimum of ten (10) gallons of fuel must be provided.

3.18 INSPECTION AND ACCEPTANCE

It is the responsibility of the Purchaser to inspect a vehicle for any damages.

Each Purchaser shall make a good faith effort to inspect the vehicles or equipment before or at the time of delivery for acceptance. One (1) day is the suggested period for inspection. However, if reasonable accommodations for inspection cannot be made upon delivery, the Purchaser may have up to three (3) days to inspect the vehicle or equipment for acceptance.

Inspection and acceptance will be at the Purchaser's destination unless otherwise previously agreed upon location was provided in the purchase order.

It is the purchaser's responsibility to thoroughly inspect each vehicle prior to acceptance. Copies of the bid specifications and purchase order will be delivered with the vehicle. Purchasers are to inspect the vehicle and compare bid specifications, purchase order and manufacturer's window sticker or manufacturer's invoice to ensure vehicle meets or exceeds the requirements of the technical bid specifications and the submitted purchase order. Purchasers should inspect the vehicle for physical damage.

Delivery of a vehicle to a purchaser does not constitute acceptance for the purpose of payment. Final acceptance and authorization of payment shall be given only after a thorough inspection indicates that the vehicle meets contract specifications and the requirements listed below.

Should the delivered vehicle differ in any respect from specifications, payment can be withheld until such time as the Vendor completes the necessary corrective action.

Units shall be delivered with each of the following documents completed or included:

1. Copy of Customer's Purchase Order
2. Copy of the applicable Vehicle Specification
3. Copy of Manufacturer's Invoice or Window Sticker. Prices may be deleted from the manufacturer's invoice
4. Copy of Pre-Delivery Service Report
5. Warranty Certification
6. One complimentary copy of the printed owner's manual if requested, otherwise digital copies are acceptable

Deliveries that do not include the above forms and publications will be considered incomplete and can be refused.

3.19 VEHICLE TAGS AND TITLE

Costs of tag and title shall not exceed the statutory rates. FSA Administrative Fee does not apply to tag and title work.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Fire Rescue Contract Terms and Conditions Rev 2-8-18

Title items shall be the responsibility of the vendor. The purchaser, if a government agency, has the authority to choose to register and title the vehicle.

Reasonable administrative costs for obtaining temporary tags, tag transfers, and new tags are permitted and can be negotiated between the purchaser and the vendor. All additional costs associated with obtaining, filing and shipping of tags shall be disclosed clearly on the vehicle quote. Administrative costs can include convenience fees, cost reimbursements for filing, obtaining or delivery of tags, or any costs over the original purchase price.

3.20 CAB AND CHASSIS PURCHASES

FSA highly recommends that all upfitting of cab and chassis be performed by vendors or third party suppliers that are licensed and/or certified to avoid unnecessary exposure to future liability.

Vendors are required to register and title the vehicle when the cab and chassis upfitting work is completed by the vendor or the vendor's selected third party supplier.

Cab and chassis can be purchased from vendors without any required additional fitting by the dealer. However, in this situation vendors are not required to register and title the chassis.

If an agency chooses to upfit the chassis with a third party supplier not selected by the vendor, then the third party supplier must perform the state mandated registration and title work upon completion of the upfitting.

The requirements of Florida Statute 319.21 related to the manufacturer statement of origin apply to cab and chassis purchases.

3.21 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and Purchaser placing orders using this contract. Vendors must invoice each Purchaser independently.

A Purchaser has three (3) working days to inspect and accept the vehicles or equipment. The Vendor shall be paid upon submission of invoices to the Purchaser after satisfactory delivery and acceptance of the vehicles and/or equipment.

The Local Government Prompt Payment Act will apply to ensure timely payment of Vendor invoices. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79 of Florida Statutes.

3.22 WARRANTY REPAIRS AND SERVICE

All warranties shall begin at time of delivery and final acceptance by the purchaser. Failure by any manufacturer's authorized representative to render proper warranty service or adjustments, including providing a copy of the warranty work order to the purchaser, may subject the vendor to suspension until satisfactory evidence of correction is presented to the Administrator.

3.23 INADEQUATE SERVICE

When vehicles and equipment require service or adjustments upon delivery, the Vendor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized dealer or other service provider to remedy the defect. Such service or adjustments shall be initiated by the Vendor within 48 hours after notification by a Purchaser, not

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

to include weekends and holidays. Delivery will not be considered complete until all services or adjustments are satisfactory and the vehicle or equipment is redelivered.

The provisions of the delivery section shall remain in effect until the redelivery is accomplished. The cost of any transportation required shall be the responsibility of the Vendor until the vehicles or equipment are satisfactory and accepted by the Purchaser.

3.24 REPORTING: PURCHASE ORDERS & QUARTERLY REPORTS

Purchase Orders

The Vendor must submit copies of purchase orders upon receipt to the FSA. Purchase orders are considered late if not submitted fifteen (15) days after the date of the purchase order.

Vendors should scan a complete copy of the purchase order and attach it as a .pdf. Place the document title in the subject line of the e-mail and send purchase order copies to coop@flsheriffs.org.

The files should be named using the following examples:

Examples:

<i>County = Florida County, County of PO 12345</i>	<i>ABC County BCC PO 12345.pdf</i>
<i>City = Florida City, City of PO 12345</i>	<i>ABC City PO 12345.pdf</i>
<i>Sheriff = Sheriff Office of PO 12345</i>	<i>ABC Sheriff PO 12345.pdf</i>
<i>Education = Institution Name PO12345</i>	<i>ABC County College PO 12345.pdf</i>

Quarterly Reports

Quarterly reports are the contractual responsibility of each awarded Vendor. Quarterly Reports which do not adhere to the required format or are not complete of all purchase orders will be returned to the reporting Vendor for correction of deficiencies.

All quarterly reports are to be sent to reports@flsheriffs.org in MS Excel format. Quarterly reports are found on-line at [Vendors Only](#).

Quarterly Reports must be complete with the name of the dealer and the date. For example, "Spomot Motors, October 30, 2017" would be in the document header. Do not indicate the quarter on the top of the report. Purchase orders are not necessary for the quarterly report. An example of a Quarterly Report is in Appendix F.

Quarterly Reports are due no later than the 15th day of the month following the end of the quarter.

Quarterly reports should follow this schedule:

Year 1	Quarter Period	Reports and Administrative Fees Due
Y1Q1	May 4 – June 30 (Short quarter due to extension)	July 15
Y1Q2	July 1 – September 30	October 15
Y1Q3	October 1 – December 31	January 15

Y2Q3	October 1 – December 31	January 15
Y2Q4	January 1 – March 31	April 15

If a Vendor has no sales within a quarter, the vendor is required to submit a quarterly report and must indicate “NO SALES THIS QUARTER” on the report.

Deliveries beyond the Y2Q4 period are to be submitted as a “Y2Q4 Extended Delivery” report using the same report format until the contract deliveries are completed for the current contract.

3.25 ADMINISTRATIVE FEE

The Florida Sheriffs Association charges three quarters of one percent (.0075) to procure, process and administer the Contract.

After receipt of payment from contract purchases, the Vendor shall remit all administrative fees to the FSA no later than 15 days after the end of each quarter. All fees payable to the FSA during any given quarter will be accompanied and supported by a Quarterly Report. Vendors are to make notation of payments in a separate column for each line item of each quarterly report of the check number submitted for administrative fees paid each quarter.

Dealers are to include three quarters of one percent (.0075) to the base bid prices and options. The fee should be incorporated into the price at the time of bid submission. It should never be listed as a separate line item on any purchase order.

The administrative fee to be paid is based on the total purchase order amount of new vehicles or equipment. This fee excludes any value given to Purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The administrative fee is the contractual responsibility of each vendor.

By submission of the Quarterly Reports and administrative fee, the vendor is certifying the accuracy of the reports and deposits. All reports and fee submissions shall be subject to audit by the FSA or the designee.

All participating Vendors are responsible for ensuring the Administrator has the contact e-mail address for the person responsible for all Quarterly Reports. There will be no reminders for the Quarterly Reports or the administrative fee.

Checks for the administrative fee can be sent to:

3.26 FINES

The bidder warrants that the product supplied to the FSA or purchaser shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered a breach of contract. Any fines levied because of inadequacies to comply with these requirements shall be borne solely by the bidder responsible.

FLORIDA SHERIFFS ASSOCIATION

Fire Rescue Contract Terms and Conditions Rev 2-8-18

Failure of the bidder to comply with the requirements of Section 1.42 Nonperformance, may result in fines of up to 10% of the total price of each unit for which nonperformance applies.

Failure to submit the administrative fee with accompanying quarterly reports within 15 calendar days following the end of each quarter will result in late fines. Vendors failing to submit administrative fees and Quarterly Reports will incur a \$25 late fee for every day that fees and reports are past due, beginning the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or fines as set forth in this section and Section 1.42, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. Venue shall lie in the appropriate court in and for Leon County, Florida.

When quarterly reports are late, fines are to be included in Vendor's Quarterly Report and administrative fee submission. Late fines that are beyond 45 days can result in disqualification for future solicitations.

Schedule of Fines

Failure to submit quarterly report on time	\$25.00 per day
Failure to report a Purchase Order to FSA within the 30 calendar days of the purchase order date	\$100.00 per Purchase Order
