7. BACKGROUND

On November 6, 1991, the Purchasing Division received a request from the Department of Transportation to waive the formal sealed quotation procedure for the purchase of Thermo King air-conditioners and air conditioning parts from Gulf Coast Thermo King.

Gulf Coast Thermo King and their Fort Myers sub-dealership (Gulf Coast Thermo King, 2671 Edison Avenue, Fort Myers, Florida) are the sole authorized dealer for this area. Simply, this means that when a Thermo King air-conditioner or Thermo King air conditioner parts are desired they will have to be purchased from Gulf Coast Thermo King.

Lee County will find it beneficial to purchase directly from an authorized distributor as there will not be a retail markup involved.

For general information, the Lee County Transit Division is anticipating to spend approximately \$13,500.00 on Thermo King Air Conditioners and parts in fiscal year 1992.

Respectfully request Board approval of Bid Waiver BW-92-04, purchase of Thermo King air-conditioners and air-conditioning parts from Gulf Coast Thermo King, who is the sole authorized dealer located in Lee County, for the Department
