

Lee County Domestic Animal Services to offer outreach, pet food in Lehigh Acres

Lee County Domestic Animal Services will hold a mobile pet pantry from 9 a.m. to noon Friday, Sept. 22. The pet pantry will be located at Veterans Community Park, 55 Homestead Road South, Lehigh Acres.

This mobile pantry has been made possible by donations from the ASPCA, Bailey's Way Rescue and Senior Paws Sanctuary. Along with distributing pet food at no charge, Lee County Domestic Animal Services staff and a veterinarian will be onsite to provide basic vet care and address questions and concerns from residents post-Hurricane Irma.
