

Sept. 14, 2017

LeeTran will run limited service today from 8am to 6pm. The limited service routes are very similar to LeeTran's regular Sunday service. Passport will also begin taking reservations for Friday trips. Fares will be collected for both regular Fixed Route and Passport Service. However, no fares will be collected on any emergency service or reverse evacuation trips from shelters. Future service levels will be determined as LeeTran continues to assess route conditions.
