Driver Regulations: (the following is a list of requirements haulers must adhere to when delivering processible waste to the Hendry County Transfer Stations)

- All containers must be properly secured to prevent leakage or spillage.
- Customers must first weigh-in at the scale house and provide the scale attendant a brief description of your debris.
- Customers shall not enter the transfer station(s) until directed by and operator to do so.
- Driver and attendants shall remain by their vehicles at all times.
- All customers are to stay 10 feet away from the loading chutes.
- Cleaning of vehicles is only allowed on the tipping floor. Vehicles must be cleaned of loose debris before exiting this area. Any liquid or debris spilled on the roadways will be cleaned up at the hauler's expense.
- Shirts and closed toes shoes are required.
- Use of cigarettes, cigars, etc. is prohibited on the tipping floor. All smoking substances must be extinguished before entering the scales at the Scale House.
- No cell phone use on the scales.
- Foul language and inappropriate behavior (i.e. spitting, swearing, lewd gestures, littering, etc) is prohibited on site.
- No hauler will possess, consume, or be under the influence of illegal or intoxicating substances.
- Unlawful behavior will not be tolerated.
- Haulers must come to a full stop and wait for directions from a Covanta Lee employee before entering the tipping floor.
- Vehicles with mechanical problems shall exit the Facility or, if disabled, request towing immediately. Under no circumstances are repairs to be made at the facility.
- Damages shall be promptly reported to the Facility Manager. Haulers will be billed by Lee County Board of County Commissioners/Solid Waste for damages to the Facility caused by their personnel and/or equipment.
- Traffic is one way through the facility.
- The Facility speed limit is 10 mph.
- Haulers shall not transport or attempt to unload hazardous waste (and materials prohibited by Federal Law) at the facility.
