NOTE:

Sites that do not show up on the Solid Waste Delinquent web site search should be checked on the Property Appraiser's data searches site. If the site's dwelling was built and received their Certificate of Occupancy in 1999 or after they would not appear within the Solid Waste delinquent site and therefore not be delinquent. Also if the site is vacant (no building) there would be no delinquent garbage showing on the Solid Waste site.

____ This Strap # is not on the Solid Waste Delinquent Assessment System.
