Recycle tips for the big game

FORT MYERS, FL (Jan. 30, 2015) – Lee County Solid Waste reminds residents to recycle plastic bottles, trays and tubs, aluminum cans, cardboard, paperboard and other acceptable recyclables after Sunday's big game.

Remember, all Styrofoam, plastic wrap, plastic bags and plastic utensils should go in the trash.

Score a touchdown for the environment by recycling right.

The Lee County Solid Waste Department is a nationally-recognized enterprise system providing residents and businesses safe, affordable waste disposal and recycling services. The system utilizes an energy-from-waste combustion process to create clean, renewable energy and single-stream recycling for material recovery.
