Household Hazardous Waste
Please, no chemicals at the curb. They can create a fire hazard. Please take them to:
6441 Topaz Ct.
Fort Myers, FL 33966

Debris Separation
Separate debris into the six categories shown.

Do Not Stack Or Lean
Placing debris near or on trees, poles, or other structures makes removal difficult. This includes fire hydrants and meters.

Unsure Where To Place Debris?
If you don’t have a sidewalk, ditch, or utility line in front of your house, place debris at the edge of your property before the curb.

Frequently Asked Questions About Hurricane Irma Clean Up

What is the difference between storm-related debris and regular household trash?
Storm debris includes any trees, tree limbs and shrubs that went down in the hurricane. Regular household trash is what you would throw away in a typical week.

When will the storm debris be collected from my curb and what should I do to prepare?
There is no schedule for when storm debris will be collected from your neighborhood, but be assured that it will. The cleanup effort will take weeks.

When will my regular household collections resume?
Regular collections of garbage, recycling and your normal weekly yard waste resume as soon as it is safe for collection crews to do so.
