Precautionary Boil Water Notice lifted for east Fort Myers neighborhoods

Fort Myers, FL, Feb. 15, 2023 – Lee County Utilities has rescinded a precautionary Boil Water Notice to an estimated 1,000 residences and 100 commercial sites in east Fort Myers.

Bacterial testing has shown the drinking water is safe and residents may now resume usual use of their water without the need to boil it.

The precautionary notice had been in place since Monday, Feb. 12, after a contractor broke a water main.
