*On January 23, 2001, the Board designated one right in and one right out access point to be located between Treeline Avenue (Sta 2408+50) and Chamberlin Parkway (Sta 2447+00) at DOT's discretion. The access points can be co-located or separate. However, only a total of one right in and one right out movement is granted in the event two access points are constructed.
