AMENDED ROADWATCH UPDATE

May 16, 2024 to May 22, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

The following information is provided by Cougar Contracting, Inc.:

- During the nighttime/overnight hours on Thursday, May 16 and Monday, May 20, motorists should expect a slow-moving operation for crews to finish striping the roadway.
- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as

the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.

- Crews continue installing signage, sod, and fencing throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the RiverCreek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway.
- The Village of Estero is constructing the shared use path on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive. The Village is currently designing the path to extend to the east property line of Bella Terra and on the north side of the road to east of Grandezza.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion of the full project is spring 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- Crews are installing water main from Wayside Lane to the eastern boundary of Corkscrew Shores.
- Crews are installing a force main on the north side of Corkscrew Road.
- During daytime hours, the contractor continues earthwork and drainage installation as a part of the new pond construction east of Corkscrew Shores.
- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

Work by FPL in project area:

- FPL crews are installing new overhead primary power lines and power poles east of Corkscrew Shores to Alico Road. Please use caution as crews work close to the roadway.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

- Motorists should expect traffic to be intermittently stopped at the staging area entrance as equipment crosses the road with materials for work on the south side of McGregor Boulevard.
- Motorists should expect daytime lane closures at the intersection of Punta Rassa Road and McGregor Boulevard for Lee County to repair and install temporary traffic signals. On island (westbound) lane closures are not anticipated before 10:00 AM and off island (eastbound) lane closures are not anticipated after 3:00 PM. Flagging operations may be required. The work will last approximately 2 weeks. Drivers should be aware of overhead work and construction crews within the median and near the travel lanes.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains **FULLY CLOSED TO ACCESS**. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through May 2024. The contractor may intermittently use this lane for materials delivery.

- Motorists traveling westbound on McGregor Boulevard may experience short delays for FHP to stop vehicles to allow material deliveries to access the staging area at Punta Rassa.
- Crews continue earthwork and debris removal along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping maintenance: Lee County DOT will be performing a moving operation with traffic delays on **May 16, 2024, to May 22, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Del Prado Blvd N	Crescent Lake Dr
Mellow Dr	Bayline Dr
Barbie Ln	Electric Ln
Tucker Ln	Old Bridge Rd
Hart Dr	N Evelena Ln
Hart Rd	New Post Rd
Laurel Dr	Flamingo Dr
Garden St	Donald Rd
Powell Dr	Bonita Blvd
E Mariana Ave	Coon Rd

Intersection markings maintenance: Intermittent Lane closures and delays are possible **May 16, 2024, to May 22, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Summerlin Rd	Hancock Bridge Pkwy
Pine Ridge Rd	Kelly Rd

Night Work Scheduled for Thursday May 16, 2024: LCDOT Traffic will be refreshing the pavement markings at the following locations during the hours of **8:00 PM to 4:00 AM** (weather permitting). Motorists are advised to use caution as intermittent lane closures and delays are expected.

- College Pkwy – Various Locations
- Cypress Lake Dr @ Summerlin Rd

For additional information, please contact Randy Hart at DOTMarkings@leegov.com

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.
To contact the bridge tender, please call: 239-955-3973.*

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- The contractor will continue driving additional piles for the bridge. The pile driving will be more continuous. Additional cranes and equipment are onsite to complete this work.

- Crews continue driving and installing pile as a part of the construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.
- Pedestrians will be directed to use sidewalk on one side of the roadway through the construction area.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Nalle Road between Nalle Grade Road to Sedgfield Road - RPU will be commencing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **January 22, through May 31, 2024**. Work will be performed along Nalle Road from Nalle Grade Road to Sedgfield heading south towards Sedgfield Road. Southbound lane along Nalle Road from Nalle Grade Road to Sedgfield Road will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **9:00 AM to 4:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Durrance Road between Deal Road to LCU North Water Treatment Plan - RPU will be completing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **May 28, through July 31, 2024**. Work

will be performed along Durrance Road from Deal Road heading south towards LCU North Water Treatment Plant. Northbound lane will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **9:00 AM to 4:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

Lehigh Acres Mast Arm Replacements & Intersection Improvements Project: Lee County DOT and its contractor American Infrastructure Services (AIS) will begin improvements to three separate intersections in Lehigh Acres, Florida. The Intersections are as follows: **1. Homestead Road N and Beth Stacey Boulevard, 2. Homestead Road N and Plaza Drive, and 3. Joel Boulevard and Bell Boulevard.** The improvements include mast arm and signal replacement, asphalt milling and resurfacing, ADA improvements, drainage improvements, sod, and road striping.

- **Homestead Road N & Plaza Drive; Joel Boulevard & Bell Boulevard:**
 - **Thursday, May 16, 2024 – Friday, May 24, 2024**, there may be intermittent lane closures from **9:00 AM to 4:00 PM** as crews will be performing curbing and sidewalk improvements.

The work activities above are scheduled to occur, however unforeseen conditions and weather may affect this schedule.

The project began on **Monday, August 14, 2023**, and is estimated to be complete in **Summer 2024**. Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through July 19, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project

began in **January 2024** with estimated completion in **summer 2025**. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- The 7-Eleven driveway on Littleton Road will close Thursday, May 16, and is expected to reopen by Saturday, May 18. Motorists can use the entrance on US-41/North Cleveland Avenue to access 7-Eleven during the closure.
- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from 5:00 AM to 5:00 PM.
- Motorists are advised that traffic has shifted to temporary asphalt on the north side of the existing Littleton Road from Janet Drive to Hutto Road.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE.
THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE
DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Steakley by email at Michaela.Steakley@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- Crews will continue to mobilize equipment and materials to the project site.
- Crews continue clearing and grubbing, and earthwork.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will begin installing force main north of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC. will be performing installation of 18" force main by Horizontal Directional Drill method, **beginning on Thursday, March 4, 2024, and continue through June 28, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Blvd, between Garofalo Way and Corkscrew Rd, will be subject to lane closures. Additionally, the right lane of northbound traffic adjacent to Corkscrew Rd, along Ben Hill Griffin Pkwy, will remain permanently closed until the installation of the force main section and asphalt restoration are complete. The closures will be in sections as we advance with the drilling activities. The closure of the northbound right lane will occur between the hours of **9:00 AM to 3:30 PM** on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Three Oaks Parkway from Alico Road to San Carlos Boulevard: Lee County DOT, along with Ajax Paving Industries of FL (contractor), will be milling and resurfacing Three Oaks Parkway from Alico Road to San Carlos Boulevard. Miscellaneous side streets, turn lanes, and turnouts will also be getting resurfaced. The project is tentatively scheduled to **start on April 7th**, weather permitting, **and should be completed by the end of May 2024.** There will be intermittent nightly lane closures with traffic pattern changes. Please pay attention to all signage and flaggers. Please note the work hours will be from **7:00 PM to 6:00 AM, Monday through Friday.** Stay alert and please no texting in the work zone! For more information, please call Ajax Paving at 239-936-9444.

Winkler Road Sidewalk Improvements - The following information was provided by V&H Construction, Inc.:

1. Sidewalk Removal and Installation

- **Winkler Road Sidewalk Improvements:** The Project Consists of sidewalk improvements along Winkler Road within Lee County, Florida. Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection Work shall include, but not be limited to, removing portions of existing sidewalk, realignment, new concrete, sidewalk installation with ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.

Phase I Construction will begin on April 15, 2024. 184 LF south of Woodgate Drive on Winkler Road marks starting point of this phase.

This Project will be separated into two phases extending the length of Winkler road - Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection.

- Motorists and Pedestrians should expect Maintenance of Traffic Operations, as crews set up MOT and start construction progression.
- Motorists should expect isolated flagging operations with periodic lane closures as the contractor coordinates removal of existing Sidewalk, as well as, during various construction operations.
- Surveyors will be on site, the stretch of the project to obtain necessary imagery. Motorists are urged to use caution while surveyors work near the roadway.
- Motorists should expect construction vehicles entering and leaving the roadway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Winkler Road.

For additional information, please contact Lou Serao at LSerao@leegov.com or (239) 791-6042.

Whiskey Creek, Pernod Drive neighborhood Storm Drain Repairs: Lee County DOT and their contractor, HK-Solutions Group, will be repairing storm drains in the specified neighborhood starting **Monday, April 8, 2024, through May 24, 2024**. Work times will be from **8:00 AM to 5:00 PM**. Residents should use caution in the work areas. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact RTillman@leegov.com.

Gunnery Road, Lehigh Acres (ROW2023-00814): Gunnery Road will have an intermittent northbound lane closure with flagging on Gunnery Road from Centennial Boulevard to Sunset Road. Also, an intermittent eastbound lane closure with flagging on Park Road from Sunset Road to Venice Avenue. All of this will take place from on **April 10, 2024, through May 31, 2024, from 9:00 AM – 3:30 PM**. All work being performed is for maintenance purposes for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Palmona Park Sidewalk Repairs: Lee County DOT and their contractor, Pavement Maintenance Inc., will be repairing existing sidewalks in the specified neighborhood starting **Monday, April 22, 2024, through the end of May**. Work times will be from **8:00 AM to 5:00 PM**. Motorists should use caution, as this area will have sporadic lane and sidewalk closures. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact acancel@leegov.com.

Bonita Beach Road West of I75 TO US 41 Bonita Springs – Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be resuming sidewalk repair improvements beginning **Monday, April 29, 2024**, and continuing through **December 31, 2024** (excluding holidays). Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the north and south sides of Bonita Beach Road West I75 to US 41 in Bonita Springs. The outside (right) lane(s) of westbound traffic on Bonita Beach Road west of Oakland Drive will be the first area subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the west bound sidewalk will be closed and detoured as needed per Index FDOT 102-660. Periodic lane closures for westbound and eastbound lanes of Bonita Beach Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Clint Scott at (239) 340-8695 or info@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Joel Boulevard from Edward Avenue to East 15th Street (ROW2021-01023): Pike Electric will be working on the overhead power lines. The projected start date is **May 9, 2024**. The westbound far right lane, 500 feet at a time, will be subject to a lane shift from **9:00 AM and 3:30 PM**. The projected end date is **June 28, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at (239) 225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at (239) 240-9410, sambell@awptraffic.com.

Greenbriar Boulevard from Joel Boulevard to Woodburn Drive - (ROW2021-01011): Pike Electric will be working on the overhead power lines. The projected start date is **May 13, 2024**. The eastbound right lane , 500 feet at a time, will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **July 15, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

PMI will be milling and paving, in the areas below, beginning from **May 13, 2024, to June 30, 2024**. Work times will be from **7:00 AM to 4:00 PM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates.

Take 5 Pondella – Fort Myers (ROW2024-00008): Southern Striping Solutions LLC will be performing sidewalk improvements beginning **Tuesday, May 21, 2024, and continue through Wednesday, May 22, 2024**. Concrete curbing, and new sidewalk will be performed. One eastbound lane of Pondella Road will be subject to lane closures during daytime concrete pouring operations. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:00 PM**. For further information, please

contact Alex DeMarco at (239) 351-6080 or alex@collierpave.com. ACME Barricades will provide maintenance of traffic services (239) 479-5266.

Gladiolus Drive – 1 (ROW2024-00232) work locations (P.053859 - Cable Pull/Splice within manhole): Lumen Technologies will be performing a cable pull/splice operation beginning on **Thursday, May 23, 2024**, for 1-2 nights. The repairs will require to close: (1) the center through lane of eastbound traffic on Gladiolus Drive in the east side of intersection of Bass Road; (2) Southbound and left turn lane of Bass Road north of Gladiolus Drive; (3) northbound through lane of Bass Road on the south side of Gladiolus Drive. We plan to utilize FDOT Indexes 102-615 and 102-613. This short term, intermittent, lane closure will occur at night between the hours of **7:00 PM and 6:00 AM**. For further information, please contact Steve Mann, Project Manager for Lumen Technologies at 407-861-3533 or at stephen.l.mann@lumen.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Buckingham Road in front of Oakview Community – Fort Myers (ROW2024-3292): Mitchell & Stark Construction Company is scheduled to carry out roadway improvements, with construction set to commence during the week of **May 20, 2024, and extend for the following three months until August 20, 2024**. The current two-lane configuration in the area will necessitate periodic lane closures throughout the construction period. Daytime work will be conducted now that we are out of season. The planned activities within the right-of-way (ROW) area include jack and boring underneath Buckingham Road, milling and paving, as well as the addition of a deceleration lane and a turn lane. For further information, please contact Kody Chapman at (239) 777-3603 or via email. Bobs Barricades will handling MOT.

Maida Lane to Ban Way Road at Gladiolus Drive – Fort Myers (ROW2023-01620): Cougar Contracting LLC, will be performing roadway and sidewalk improvements beginning **Monday, May 13, 2024, and continue through August 20, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. Also, relocation of one fire hydrant will be done as well. The outside (right) lane of eastbound traffic on Gladiolus Drive just after S. Tamiami Trail will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays as well as **7:00 PM to 6:00 AM** on weekdays. For further information, please contact Tony Phimmason at (239) 275-9334 Ext. 208 or Tonyp@cougarcompanies.com. Cougar Contracting, LLC will provide maintenance of traffic services (239) 275-9334 Ext. 208.

Summerlin Road from Bass Road (ROW2024-00281): PMI will be conducting ROW work for sidewalk and drainage install for the Oaks at Cypress Cove project along Summerlin Road starting **May 28th**. There will be intermittent temporary road closure in the far right lane of Summerlin Road from Bass Road west for approximately 1 mile. The work will be done during the day between the hours of 7:00 AM and 4:00 PM.
