

ADA Title II Open House

Lee County will host an **open house from 4 to 6 p.m. Thursday, Feb. 23, 2017, at Lakes Regional Library, 15290 Bass Road, Fort Myers, 33919** to encourage feedback about the accessibility of Lee County transportation, transit, facilities, services and programs. Input will help us to identify the locations and services used most by people with disabilities and to prioritize projects in the County's newly updated ADA Title II Transition Plan. The open-house format will allow one-on-one communication with ADA coordinators and staff from a variety of departments. Lakes Regional Library is served by both LeeTran and Passport.

Those who prefer to submit comments from their homes may contact Lee ADA Coordinator Joan LaGuardia, (239) 533-2314, Florida Relay 711, or jlguardia@leegov.com.

These are the most important questions for which we are seeking input:

- What County government locations, services and programs do you most **frequently use**?
- Are there **locations** that deliver County services or programs that you have difficulty accessing or navigating once you arrive?
- Are there County **services or programs** that you have difficulty accessing?
- Are you able to **communicate** with County staff about your solid waste, water, permitting or other services?
 - Please note that discussion at this open house will not cover services and locations in the cities. Comments about Bonita Springs, Cape Coral, Estero, Fort Myers, Fort Myers Beach and Sanibel should be directed to those municipalities.

To request an auxiliary aid or service for effective communication or a reasonable modification to participate, contact Joan LaGuardia, (239) 533-2314, Florida Relay Service 711, or jlguardia@leegov.com as soon as possible or by Feb. 17. Accommodation will be provided at no cost to the requestor.
