Address: 27367 Imperial Street, Bonita Springs

STRAP No.: 36-47-25-B2-01045,0000

Appraisal Information

Company: Carlson, Norris & Associates, Inc. Appraised Value: \$173,000 as of May 14, 2004

Staff Recommendation: County staff is of the opinion that the purchase price increase of 10% above the appraised value can be justified based on the increasing real estate market values in this geographic area, and the fact that any moving allowance is included in said price. Also, considering the costs associated with condemnation proceedings estimated to be between \$4,000-\$7,000, excluding land and building value increases, staff recommends the Board approve the Requested Motion.

- 4. CONDITION OF PROPERTY; RISK OF LOSS: BUYER has inspected the Property and, except as is otherwise provided herein, accepts the Property in the condition inspected. Any loss and/or damage to the Property occurring between the date of this offer and the date of closing or date of possession by BUYER, whichever occurs first, will be at SELLER's sole risk and expense. If SELLER fails to make corrections within 60 days after notice, BUYER may elect to accept the Property in its existing condition with an appropriate reduction to the purchase price, or may terminate this Agreement without obligation.
- 9. SURVEY: BUYER may order the Property surveyed at BUYER's expense. SELLER agrees to provide access to the Property for the survey to be performed. If the survey shows a discrepancy in the size or dimensions of the Property, or shows encroachments onto the Property or that improvements located on the Property encroach onto adjacent lands, or if the survey identifies violations of recorded covenants or covenants of this Agreement, upon notice to the SELLER, the BUYER may elect to treat those discrepancies, violations or encroachments as a title defect.
- 10. ENVIRONMENTAL AUDIT: BUYER may perform or have performed, at BUYER's expense, an environmental audit of the Property. If the audit identifies environmental problems unacceptable to the BUYER, BUYER may elect to accept the Property in its existing condition with an appropriate abatement to the purchase price or BUYER may terminate this Agreement without obligation.

11. There is no evidence of release of hazardous materials onto or into the Property.

The SELLER also warrants that there have been no requests from any governmental authority or other party for information, notices of claim, demand letters or other notification that there is any potential for responsibility with respect to any investigation or clean-up of hazardous substance releases on the property. All warranties described herein will survive the closing of this transaction.

In the event the SELLER breaches the warranties as to environmental liability, SELLER agrees to indemnify and hold the BUYER harmless from all fines, penalties, assessments, costs and reasonable attorneys' fees resulting from contamination and remediation of the property.

- 12. TIME AND BINDING AGREEMENT: Time is of the essence for closing this transaction. The BUYER's written acceptance of this offer will constitute an Agreement for the purchase and sale of the Property and will bind the parties, their successors and assigns. In the event the BUYER abandons this project after execution of this Agreement, but before closing, BUYER may terminate this Agreement without obligation.
- 13. DATE AND LOCATION OF CLOSING: The closing of this transaction will be held at the office of the insuring title company on or before 45 days from the date this Agreement is made. The time and location of closing may be changed by mutual agreement of the parties.

- 18. **SPECIAL CONDITIONS:** Any and all special conditions will be attached to this Agreement and signed by all parties to this Agreement.
