**8. Background:**

The Department of Transportation submitted a request to Contracts Management to obtain bids for Evergreen Road Improvements and Water Main Installation. The anticipated cost required the use of the formal advertised, sealed bid procedure.

On the bidding deadline of February 2, 2005, Contracts received a total of six (6) bids. Upon initial inspection of the bids, it appeared that Stevens & Layton was the apparent lower bidder, with a total base bid of \$1,412,653.10; however, after all bids were calculated, an error was discovered in Gulf Paving's bid, making them the low bidder, with a base bid amount of \$1,320,428.75. The bids have been reviewed by the Department of Transportation, and it is being recommended that award be made to the lowest bidder, Gulf Paving, Inc., for a total not-to-exceed base bid of \$1,320,428.75 plus all Alternate unit price items (if needed) with a total completion time of 210 days.

Funds will be available in the following account strings:

- 20741648730.506540 - \$615,254
- 20468330700.506540 - \$352,587.

Bid No. B-05-09

Dear Ms. Crone

This letter shall serve as a follow-up to a telephone conversation on 2-18-05 regarding the above referenced project.

As explained in the telephone conversation, due to the discovery of a software error, domestic water and force main division totals were added twice. Gulf Paving's bid of \$1,320,428.75 is correct from our point of view, and is acceptable to proceed toward contract.

Sincerely,

Tim Lause  
President
