9. Background: Section 10 Joint Venture, LLP has petitioned the Lee County Board of County Commissioners to adopt an ordinance establishing a Uniform Community Development District (UCDD) in accordance with the Uniform Community Development District Act of Florida, Chapter 190, Florida Statutes ("Act"). Section 190.005(2) sets forth the "exclusive and uniform method for the establishment of a Community Development District of less than 1,000 acres in size." This establishment "shall be pursuant to an ordinance adopted by the County Commission having jurisdiction over the majority of the land in the area in which the district is to be located . . ."

established, it serves as an infrastructure management tool that ultimately relieves existing county taxpayers of the financial burden of providing urban services to the landowners in the district.

The proposed Laguna Estates CDD is located on approximately 585.95 acres of land located wholly within unincorporated Lee County. The land area is bounded on the north by East Easy Canal; on the south by Greenbriar Boulevard; on the east by Joel Boulevard; and on the west by Richmond Avenue. The property is located in Section 10, Township 44 South, Range 27 East. The Laguna Estates District will be granted the power to finance, fund, plan, establish, acquire, construct or re-construct, enlarge or extend, equip, operate and maintain systems and facilities for the following basic infrastructure: water management; water supplies; sewer and wastewater management; bridges or culvert; district roads; and other projects within and outside the district boundary for which a Development Order may be issued. Additional powers for recreation and security systems will be requested sometime in the future.

The creation of the Laguna Estates District is not a development order within the meaning of Chapter 380, F.S. All county planning, environmental and land development laws, regulations and ordinances will apply to the development of land within the proposed Laguna Estates District, and the District can take no action that is inconsistent with those regulations.

In accordance with Section 190.005(1)(f), F.S., the proposed ordinance:

1. Establishes the external boundaries of the district.
2. Names the five persons designated to be the initial members of the Board of Supervisors. These members are as follows:
 - a. Andres Garganta
 - b. Carlos Mallol
 - c. Natalie Wolf
 - d. Alexandra Krot
 - e. Wilma Hernandez
3. Names the district. (Laguna Estates Community Development District)

PLEASE NOTE: F.S. §125.66 does not require a 5:00 p.m. public hearing to provide for adoption of this ordinance. However, if it is the Board's preference, this public hearing may be scheduled for consideration on the November 14, 2006, 5:00 p.m. public hearing agenda.

A copy of the Petition is available for review at the Department of Community Development.

Proposed ordinance establishing the Laguna Estates Community Development District

ORDINANCE NO. ____

AN ORDINANCE ESTABLISHING LAGUNA ESTATES COMMUNITY DEVELOPMENT DISTRICT; PROVIDING A DISTRICT NAME; SETTING FORTH THE AUTHORITY FOR ADOPTING THE ORDINANCE; ESTABLISHING THE EXTERNAL BOUNDARIES OF THE DISTRICT; DESIGNATING THE INITIAL MEMBERS OF THE BOARD OF SUPERVISORS; ESTABLISHING THE GOVERNING DISTRICT CHARTER AS FLORIDA STATUTES CHAPTER 190; PROVIDING FOR NOTICE TO SUBSEQUENT PURCHASERS; PROVIDING FOR CONFLICT, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, Section 10 Joint Venture, LLP has petitioned the Board of County Commissioners to establish LAGUNA ESTATES COMMUNITY DEVELOPMENT DISTRICT; and

WHEREAS, the Board of County Commissioners, after proper published notice, conducted a local public information-gathering ordinance hearing as required by law and finds as follows:

1. The petition is complete in that it meets the requirements of Section 190.005(1)(a), Florida Statutes; and all statements contained within the petition are true and correct.

2. The costs to the County and government agencies from establishment of the district are nominal. There is no adverse impact on competition or employment from district establishment. The persons affected by establishment are the future landowners, present landowners, Lee County and its taxpayers, and the State of Florida. There is a net economic benefit flowing to these persons from district establishment as the entity to manage and finance the statutory services identified. The impact of district establishment

and function on competition and the employment market is marginal and generally positive, as is the impact on small business. None of the reasonable public or private alternatives, including an assessment of less costly and less intrusive methods and of probable costs and benefits of not adopting the ordinance, is as economically viable as establishing the district. Methodology is set forth in the economic impact statement on file. The statement of estimated regulatory costs of this petition on district establishment is adequate.

3. Establishment of the proposed district, whose charter must be in accordance with the general law as set forth in Sections 190.006 -190.041, Florida Statutes, is not inconsistent with the local Comprehensive Plan of Lee County or the State Comprehensive Plan.

4. The area of land within the proposed district is of sufficient size, is sufficiently compact and is sufficiently contiguous to be developed as one functional interrelated community.

5. The district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

6. The community development services and facilities of the district will be compatible with the capacity and uses of existing local and regional community development services and facilities.

7. The area that will be served by the district is amenable to separate special district government.

8. The proposed district, once established, may petition the Board of County Commissioners for consent to exercise one or more of the powers granted by charter in Section 190.012(2), Florida Statutes.

9. Upon the effective date of this Ordinance, the proposed Laguna Estates Community Development District will be duly and legally authorized to exist and exercise all of its general and special powers as limited by law; and has the right to seek consent from Lee County for the grant of authority to exercise special powers in accordance with F.S. 190.012(2), without question as to the district's continued right, authority and power to exercise its limited powers as established by this ordinance.

10. All notice requirements of law were met and complete notice was timely given.
