**9. Background:**

During FY05 the park and ride was a great success and the Summerlin Square shopping center parking lot did not have the capacity to accommodate the cars from the passengers parking there and riding the trolley to Ft. This lot was leased in FY06 at a cost of \$15,000 for three months. This parcel is available for FY07 to lease at a cost of \$20,000 from January 1, 2007 through April 30, 2007.
