OFFICE OF ASSISTANT SECRETARY FOR COMMUNITY PLANNING AND DEVELOPMENT

February 20, 2007

Ms. Tammara H. Hall Chairwoman Lee County Board of County Commissioners 2440 Thompson Street Fort Myers, FL 33901

Dear Ms. Hall:

Congratulations. I am delighted to inform you that the homeless assistance application(s) your organization submitted in the 2006 McKinney-Vento Act homeless assistance competition was selected for funding in the amount of \$1,936,114. Enclosed is a listing that contains the individual projects with the project number.

President Bush and the Secretary of HUD, Alphonso Jackson, have made the fight against homelessness a high priority. The over \$1.205 billion we are awarding nationally through this year's homeless assistance competition is the result of that effort. These awards respond to local, comprehensive planning efforts and are designed to help homeless individuals and families move to self-sufficiency and permanent housing.

We have been pleased with the impressive community-wide planning efforts presented in the application submissions over the past several years. You should be proud that the project(s) listed on the enclosure, and identified by your community as high priorities, have been selected.

You will be receiving a letter from your local HUD field office providing more information about finalizing your award.

Congratulations again on your award. We are counting on you to use these precious resources in a timely and effective manner.

Sincerely,

H. Johana

Pamela H. Patenaude Assistant Secretary
