**Update: COVID-19 Test Site at CenturyLink Stadium (home of the Minnesota Twins)**

Fort Myers, FL, May 9, 2020 - The COVID-19 test site at CenturyLink Sports Complex is an outdoor testing facility. Lee County is expecting thunderstorms Sunday, and the weather is going to determine if the testing site can remain operational. Heavy rain, lightning or gusty wind can slow down operations, pause operations or shut down the site for the remainder of the day.

Vehicle occupants at the testing site during significant weather will need to follow the directions of National Guard or local law enforcement. If necessary, immediate safety announcements will be made to vehicle occupants via public address systems. The safety of on-site personnel is a priority.

The CenturyLink Sports Complex is still scheduled to be open seven days a week from 9 a.m. to 3:30 p.m. until further notice.

Daily totals of COVID-19 tests:

- May 3, 2020 – 19 (soft opening)
- May 4, 2020 – 468
- May 5, 2020 – 651
- May 6, 2020 – 678
- May 7, 2020 – 764
- May 8, 2020 – 673
- May 9, 2020 – 388
  
- **Total: 3,641**

Participants who were tested in the beginning of the week are now receiving their results. Some positive test results are being received by participants who were asymptomatic at the time of testing.

If you were tested and it has been at least five days and you have not been contacted with results, you can contact Dr. Eric Pantaleon, Medical Associates Network, 954-239-8167 or 954-239-8806.
