Subject: RE: special event permit

Hi Robin,

I have review both documents that you sent me and I have some questions that I need answered so we can proceed with sign off on the permit application.

What is the event that will be taking place that you will need one to two deputies for during peak hours? Will this be for traffic or security, or both? It is evening concerts both nights and will be security only.

What is the concert that is going on during this event? Will the event be taking place at Harley or on the grounds of Top Rocker Field? Who will be performing? They will both be at Top Rocker Field. Grayson Rogers and Grand Funk Railroad

Where will off-site parking be located if all motorcycles can not fit on Harley property? We are using the riding academy lot and lots surrounding the dealership. Overflow will go into Audi if necessary.

Has additional private security been hired for the event? If so, how many, what company is being used? They are using Suncoast for regular security. I don't have a number on how many just yet.

Once I have this information, I will better be able to gauge how to proceed. Although, having worked on the permits for other events at Harley I have an idea of how things will go. A basic idea of what the event is that is taking place will be a good jumping off point for me though.

Thanks so much!

Fort Myers is the hub of the Southwest Gulf Coast region. It boasts a revitalized downtown River District, and is home to the Thomas Edison and Henry Ford Winter Estates. Fort Myers Beach, Sanibel and Captiva are known for world-class shelling, fishing, and numerous back bay activities.

The surrounding county areas of Southwest Florida offer many unspoiled coastal riding experiences, and numerous old country roads that meander through "the south." There will be many guided and self-guided rides to explore the area.

Registration, events, entertainment and many activities will be at the new and exciting Six Bends Rally Central located at 9501 Thunder Road in South Fort Myers, FL. Rally Central is a 16.5 acre site with a large paved riding facility that will be the site for drill team performances, bike games and other bike shows. Top Rocker Field is a 2.5 acre entertainment venue within Rally Central where our rally bands will perform.

Early October is a perfect time to visit Southwest Florida where the average daily temperature is 80 and the water temperature is in the high 70s.

Harley Owners Group Who We Are

In 1983 Harley-Davidson sought to build a life-long relationship with it's customers based on the premise that, "We don't sell motorcycles; we sell a unique lifestyle experience." The philosophy led to the formation of the Harley Owners Group (H.O.G.).

H.O.G. was established with the intent to developing the premier company-sponsored enthusiast organization in the motorcycle industry. By the end of 1983 membership grew to 33,000. The number of H.O.G. now exceeds One Million World Wide. With Harley-Davidson's commitment to an increased presence in the international market, the number of H.O.G. members from outside the US continues to increase substantially. Presently there are nearly 45,000 members of H.O.G. in Florida.

Probably the most important benefit to the H.O.G. member is H.O.G. Rallies. The rallies bring H.O.G. members together to celebrate the Harley lifestyle. This clearly separates Harley-Davidson from all other motorcycle manufacturers. Rallies give members an opportunity to enjoy their motorcycles and their comrades in a festival style atmosphere for a weekend. Events such as Bike Week, Bike Shows, Drill Teams, Poker Runs and musical entertainment is a large part of the weekend experience.
