EVENT AND MEMBER INSURANCE COVERAGE

USA Cycling, Inc. has general liability and member accident insurance that covers association events for which a permit has been issued. This insurance covers road/track, cyclo-cross, mountain biking, and collegiate events. All events permitted under USA Cycling must use the insurance provided by USA Cycling.

USAC GENERAL LIABILITY POLICY

USA Cycling has commercial general liability coverage for our member clubs, officials, USAC licensed coaches, USAC licensed mechanics, volunteers, and organizers/ promoters against claims that result from an event for which a USA Cycling permit has been issued, provided USA Cycling agreements, rules, and regulations have been adhered to. Coverage is limited to only the cycling activity of the event.

A. Policy Coverage

1. Participant legal liability
2. Premises-Operations liability
3. Products and completed operations
4. Personal injury liability
5. Limited worldwide liability

B. Policy Exclusions

1. Employee bodily injury or job-related injury; i.e., this policy does not provide the race organizer's employees or volunteers with workers' compensation, nor will it pay related medical expenses.
2. Participant vs. participant claims involving rider vs. rider are excluded.
3. This policy does not provide coverage for any automobiles or motorcycles except for hired/non-owned vehicles specifically scheduled and additional fee paid. For more information please see Non-Owned/Hired Insurance Information.
4. Non-cycling related activities including but not limited to fireworks, concerts, vending, moon walks, festivals, or stunts, big air jump contests, etc.
5. Terrorism
6. Professional liability for medical professionals
7. Liquor Liability

For coverage to be valid, the organizer/event director must obtain and keep from all participants for a minimum of 10 years, including volunteers, a hand-signed (original signature) USA Cycling Release Form with a minimum 10 point font (electronic waivers are not valid unless electronically signed using USA Cycling's on-line registration system). The insurance carrier has only approved USA Cycling's electronic signature system and use of electronic waiver by any other service is not approved or valid. In addition, all participants must have an annual or one-day membership for promoter's general liability insurance to be valid, except for USA Cycling sanctioned Fun Rides/Tours and Gran Fondo events.

This is only an overview of the policy coverage. Coverage is subject to the terms, conditions and exclusions of the policy(ies). Should a discrepancy occur between this synopsis of coverage and the actual terms, conditions and exclusions of the policy(ies), the policy(ies) terms, conditions and exclusion will prevail. The policy limits are \$1 million per occurrence with a \$3 million event aggregate and a \$10 million policy aggregate.

For all events, race directors do have an option to purchase an additional \$4 million (per occurrence/per policy aggregate) of liability coverage for an additional \$550 per event. This fee is required with the permit application and will not be refunded unless the event is cancelled.

USA Cycling clubs and race directors will receive a copy of USA Cycling's certificate of insurance for their event. Coverage is valid only during USA Cycling sanctioned races and sanctioned non-competitive events for which a USA Cycling permit is issued and only for the dates on the permit. If you are required to have a third party named as an additional insured for an event, you must complete the Certificate of Insurance Request and mail it with the race permit application to the USA Cycling national office. The first set of certificates of insurance naming the race director and sponsoring club as additional insured is at no additional cost. You can request certificates of insurance naming others as additional insured for \$10 per certificate issued. Reissues of certificates are subject to a \$10 reissue fee each time.

In the rare case a third party will not accept a certificate of insurance, the party can be added by endorsement on to the policy for an additional \$75 fee per endorsement in addition to the certificate fee.

Once the permit application has been approved by USA Cycling, the additional insured request is forwarded to the carrier who issues a certificate with the requested third party named. This certificate will reflect the USA Cycling permit number. At least 30 days should be allowed for this process.

In the event of an occurrence at a permitted event, the Chief Referee or official must complete a **First Report of Occurrence** which provides specific race information, the type of occurrence, names of involved parties, etc. The **First Report of Occurrence**, along with the original signed **USA Cycling Release Form**, executed by the athlete before participating in the event, should be forwarded to USAC with the Chief Referee or official's report. If there is a serious or catastrophic injury, notify the USA Cycling office on the next working day.

In addition to the normal competitive events, insurance is available to USAC member clubs for non-competitive events. These may include training rides, Gran Fondos, fun rides/tours, camps and clinics. Third party insurance is available using the same procedure as for regular USA Cycling races. Special rules govern these events. For more information contact USA Cycling.

Please remind all participants at every event to notify an official if they are injured. USA Cycling cannot process a claim if we have not received the related **First Report of Occurrence**.

NON-OWNED/HIRED AUTOMOBILE & NON-OWNED/HIRED MOTORCYCLE LIABILITY COVERAGE

For events that use automobiles and/or motorcycles, there is liability insurance available on a per vehicle basis through USA Cycling. All drivers must apply for and pass a motor vehicle record background check to be eligible for race director to add on the coverage. This insurance will provide \$1 million of liability coverage for non-owned and hired automobiles and motorcycles that are used at an event during the race.

The non-owned and hired automobile and motorcycle coverage is of an excess nature. This means the vehicles and motorcycles must have primary coverage, and the primary coverage pays first. It is recommended that the primary coverage has liability limits of \$300,000 or greater.

The Non-Owned/Hired insurance only covers vehicles driven by officials and marshals during the race on the race course (i.e. as a pace or follow vehicle). Only automobiles and motorcycles scheduled and paid for on USAC's hired/non-owned application will be covered. This optional insurance will also provide coverage for the owner of the vehicle as long as the owner is driving the vehicle as an official or marshal during the race and has primary liability insurance on the vehicle. Automobiles may only carry a maximum of 8 persons.

If this insurance purchase is declined or not purchased, and an automobile(s) or motorcycle(s) is used in the event that is not listed on the application, then the automobile(s) and motorcycle(s) will not receive insurance coverage through USA Cycling.

Applications to purchase the Non-owned/Hired Automobile and Non-owned/Hired Motorcycle Coverage can be found on the USA Cycling website and are included with permit packets that are distributed by USA Cycling. No refunds will be issued unless the application is declined because of an unfavorable motor vehicle search and review of driving records.

CLUB AND LOCAL ASSOCIATION GENERAL LIABILITY INSURANCE

USAC's insurance carrier through Willis (1-800-530-4809 x 3659) offers a discounted General Liability Insurance program for USA Cycling member clubs and local associations.

The club and local association insurance policy provides coverage with a liability limit of \$1 million for clubs during cycling-related club activities, such as awards banquets, meetings, approved fund-raisers, and club training rides that are not sanctioned by USA Cycling. This coverage includes bodily injury and property damage, including participant legal liability coverage, as well as personal and advertising injury, including libel, slander, and defamation of character. **For coverage to be valid, the club must obtain and keep from all participants and club members for a minimum of 10 years the approved club waiver and release with original signatures.**

Coverage is specifically excluded for practices for which permits have been issued by USA Cycling and for all competitions and tours, including fun rides, whether USAC-permitted or not, and whether involving cycling or not. There is no coverage for riders for suits brought against them by another rider and there is an abuse and molestation exclusion.

Applications for the club and local association general liability insurance can be downloaded from USAC's website.

CLUB AND LOCAL ASSOCIATION DIRECTORS AND OFFICERS LIABILITY INSURANCE

USA Cycling's Directors and Officers Liability insurance broker, Willis (1-800-530-4809 x 3650), offers a group Directors and Officers Liability Insurance program for USA Cycling member clubs and local associations. The premium rates are significantly less than each club could negotiate independently.

Directors and Officers Liability Insurance provides for "Wrongful Acts", "Errors", and "Omissions" alleged to have been committed by a club's Board of Directors, employees, volunteers and officers while executing their duties in service to the club. Directors' and Officers' services to the club are generally considered to be rendered in a fiduciary capacity. A trustee is held responsible and accountable for his or her actions; so, too, are the directors and officers who owe their club a duty to exercise their powers in good faith and with prudent judgment. While federal and state statutes provide much guidance in establishing standards of conduct, common-law principles are still the basis of determining when wrongdoing has been committed where there is no statutory law. Common law, unlike statutory law, does not impose absolute and inflexible rules; rather, it is subject to the changing interpretations of the courts and is based on principles of equity and public policy.

This program offers a limit of liability of \$1 million with higher limits as an option to those interested clubs. It offers coverage for Non-Pecuniary Defense, which provides defense coverage for those allegations not requesting monetary awards. For more information and an application to purchase this coverage, please contact:

POLICY SUMMARY DISCLOSURE

This brochure only summarizes the above policies and is just an overview. Coverage is subject to the terms, conditions and exclusions of the policy(ies). Should a discrepancy occur between this synopsis of coverage and the actual terms, conditions and exclusions of the policy(ies), the policy(ies) terms, conditions and exclusions will prevail. The Member Accident Policy is underwritten by Nationwide Life Insurance Company. A copy of the policy or certificate of insurance is available upon request.
