## **KEY NOTES**

### **ABOUT SURFERS FOR AUTISM EVENTS**

*(This document must remain with all applications during the approval circulation process)*

### **ACTIVITIES**

*The day's activities will include surfing, paddle boarding, music, beach games, interactive exhibits, giveaways, fun contests for prizes and raffles and catered lunch. Depending on location the day also may include Fire Engine tours, Paint the Fire Engine, static displays and interactive exhibits provided by local Police, Sheriff, Military, USCG and/or FWC.*

### **PERMITTING/COMPLIANCE**

*This organization prides itself on being 'over the top' considerate and compliant to all host municipality and Florida Dept. of Environmental Protection laws, regulations, rules and ordinances. We respectfully request that each of our permitting departments in the host community, from the beginning of the permitting process, provide us with a complete list of requirements along with any issues or concerns the residents, that may be directly impacted by an event of this type, will have or have had in the past. We will complete all applications, submit all required documents, follow protocol to the letter and provide all information with regards to our program and operations. We are not only seeking permission from the governing body, we also seek to be welcomed by the community.*

### **LOCAL IMPACT SHORT & LONG TERM**

*SFA events are grand scale in nature and carry a significant positive impact for each host community/City both short and long term. The long term benefit is achieved by a commitment from this organization to produce the event annually. This commitment provides local businesses such as restaurants, retailers and hotels some solid numbers for forecasts and projection reports and revenue they can count on from year to year. There are certain situations where we are able to create an even greater, more substantial economic impact by producing the event during what is considered locally to be off or slow season. This is an often chosen strategy but not a possibility for all events due to the number of tour dates. The obvious short term impact/benefit, economically speaking is the large influx of event attendees checking into hotels, filling restaurants and retail shops but the biggest impact and benefit is felt both short and long term and is not tangible. It is a feeling. Each event offers the opportunity for the entire community, professionally and personally to bind and be involved hands on with something greater than any individual. To take ownership of it. To grow it and govern its direction and personality. This foundation has a lot of experience, assets and resources but each event is a true community led initiative. These events are examples of inclusion at the highest level.*

## **TEMPORARY STRUCTURES/TENTS/CANOPIES**

*The use of temporary structures are an absolute necessity in order to protect the hundreds of event volunteers and staff from the sun's harmful rays. SFA owns and maintains its own set of 10x10 aluminum pop-up tents manufactured by EZ-Up International, a world leader in quality and safety. Our team of professionals erect these shelters in accordance with the site plan submitted with the event permit application. A fire certification is also included. There may be slight variances due to beach erosion and tide changes. The employment of a professional company to erect commercial or oversized tents is not necessary. Each shelter is secured to the ground with four 75lb sand ballasts attached by nylon straps with a 2000lb load rating. All sponsors and exhibitors wishing to erect shelters are required to use a professionally made product and sand or water ballasts to secure them. **STAKING INTO THE SAND TO SECURE TEMPORARY STRUCTURES OR ANYTHING IS STRICTLY PROHIBITED BY SFA.***

## **EVENT HOURS SET-UP/BREAK DOWN**

*Official event hours are from 9am to 4pm. This is when festival activities for registered participants will begin and conclude. Set up will begin as close to 6am as possible, immediately following clearance from local turtle patrol. Break down will commence just prior to 4pm and will conclude at 6pm followed by an organized beach cleanup. A beach cleanup will also be conducted following lunch.*

## **FOOD SERVICE/CATERING**

*A catered lunch is provided, free of charge, to all registered participants, any family member that is attending with them and all registered volunteers at all SFA events. The food is prepared off site and donated by local restaurants that choose to support our initiative. Our Executive Director of Hospitality will organize volunteers to pick up and serve catering. Safe food handling practices are maintained at service.*

## **VENDORS/EXHIBITORS**

*Vending or selling of wares is strictly prohibited at all SFA events. No Exceptions. Our supporters and sponsors are welcome and encouraged to showcase their business through displays, networking and distributing approved literature. The detection of any exhibitor exchanging monies at their booth will result in immediate expulsion. All exhibitors are requested to provide a fun activity for kids at their booth.*

## **ADMISSION/FEES/FUNDRAISING**

***THIS IS NOT A FUNDRAISER. THIS IS A FUN RAISER***

*Surfers For Autism events are free of charge to all registered participants, open to the public and are not fundraisers. The presence of a fundraising element does exist at each event but is unpublished and in the background. There is the opportunity for those who wish to support our organization monetarily through donations for our raffle or branded apparel. Our goal here is to remain self supportive/funded without making anyone feel obligated or pressured to make a donation.*

## **AMPLIFIED SOUND/NOISE ORDINANCES**

*It is necessary for SFA to use amplified sound through a PA system at all events to conduct meetings, make announcements, locate lost individuals and play recorded music. Our PA will go live at 8am to conduct a mandatory volunteer meeting and will be shut down at approx. 4pm with event conclusion. Although considerate to all ordinances with regards to noise and amplified sound the size of these venues make it nearly impossible to voice project in any other form, therefore making this element crucial in conducting safe and organized events.*

## **ALCOHOL/ILLEGAL DRUGS/CONTROLLED SUBSTANCE**

*The consumption of alcohol is strictly prohibited before the conclusion of all event activities at 4pm. Surfers For Autism, Inc. reserves the right to restrict the possession or consumption of alcohol, regardless of local laws and ordinances, within the organizations permitted and insured event boundaries. Any observed illegal drug activity will be reported to local law agencies.*

## **MEDICAL/FIRST AID/FIRST RESPONSE**

*Surfers For Autism travels with our own team of first responders comprised of Doctors, (most events) Paramedics, (all events) Life Guards (all events) and Registered Nurse (all events) - all volunteered. We also provide a clearly marked medical pavilion on the beach at all events that is fully stocked to respond to most medical emergencies. We are capable of and have the ability to respond to trauma victims with the administration of O2, fluids intravenously and cardiac arrest with AEDs. It is organization policy that we let local Ocean Rescue and/or Fire Rescue take command during any medical emergency, other than minor, but we are prepared to respond swiftly and decisively.*

## **ATTENDANCE**

*Surfers For Autism produces grand scale, world class events that garner crowds in the 2,500 to 10,000+ range. Before we reach the event site we are certain that there will be 1000+ through our crew, registered participants, family members/care givers accompanying them and registered volunteers. SFA will collaborate with local officials regarding crowd control plans. All SFA staffers are Fire Marshal certified crowd control managers.*

## ***VOLUNTEER REGISTRATION***

*Surfers For Autism is completely committed to providing a safe environment for its participants and families. The minimum registered volunteer requirement is 200 and the maximum limit is 350. The minimum age for volunteering is ten years old with no maximum age limit. ALL volunteer, whether pre registered or walk-ups, are checked through law enforcement database. Anyone who is a registered sex offender attempting to volunteer will be rejected, black listed and reported to local authorities for the attempt. Our organization takes this commitment very seriously and will do anything, within legal limits, to protect its participants.*

## ***PARTICIPANT REGISTRATION***

*A participant is classified as a pre registered individual considered to possess developmental, intellectual, emotional delays, and/or some physical disabilities. These individuals will be the only attendees to participate in the aquatic activities of the program. The limit for registered participants is 200. This limit exists not as a result of the inability of our organization to safely take more than 200 into the ocean but to maximize the number of sessions. The parents, guardians and/or caregivers are sometimes desperately seeking breakthroughs and our goal is to provide as many opportunities as possible at each event. In a case where we do not electronically register the limit we will accept walk ups on event day. Our program guidelines and equipment do not permit the registration of plegics (people bound full time to a wheelchair due to paralysis or other physical disabilities).*

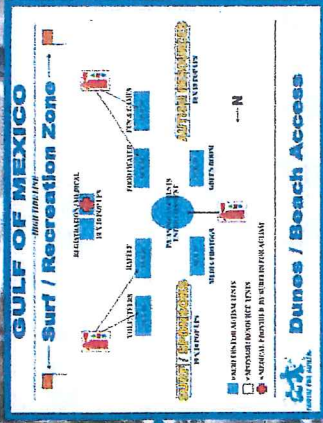

## ***PHOTOGRAPHERS/VIDEOGRAPHERS/MEDIA***

*All photos and media persons, regardless of affiliation, are required to check in at registration to provide credentials and receive a wrist band. It is policy that a talent release waiver be signed releasing all images and recorded video and audio as property of Surfers For Autism, Inc. Anyone capturing images or video without following this policy will be asked, lawfully, to leave the permitted and insured event area. Upon detection of any suspicious activity we ask that local law authorities recognize the legitimacy of this policy and assist.*
