#### We did 🛇

We have the detail set up from 130p-530p because of the 4 hour minimum and the set up but that would leave about 30 minutes to break everything down. Will that work or do you think we should do 2p-6p?

Hi Jen

I completely blanked out and forgot to send you an email that we sent the money order. Did you get it?

Also, I can't remember the times we get the street, we have the wedding starting at 430, and only planning on it being a 30 min ceremony if that. Is that OK? I feel like it's supposed to be 3 total hours including set up ceremony and removal of everything.

#### Thanks for your help
