Plancher Security has taken a unique approach to the business of contract security. Many of our competitors employ minimally screened and trained officers. Our approach involves a proactive theory of well-groomed, exceptionally trained, uniformed security officers. Our strategy entails several steps to mitigate the possibility and opportunity for theft of property, or injury to persons within the facility.

APPEARANCE

Plancher Security is known for our highly visible uniforms and impeccable appearance.

Our uniforms are custom designed. Made from the highest quality and durable fabrics, to ensure a clean and professional look always. Every shirt has reflective lining to ensure high visibility, which allows security to be seen clearly day and/or night from afar.

BENEFITS OF A UNIFORMED SECURITY OFFICER:

Our uniforms provide instant recognizability. In an emergency, you need to be able to determine the right person to go to for help and/or assistance.

Peace of mind for your staff and customers. A uniformed well-presented officer is calming and provides reassurance.

Greater deterrence of crimes. When an officer in uniform is on location, this provides a strong deterrent for crime and/or criminal activities.

Creates a sense of pride and belonging for the officer. When an officer puts on the uniform, they're able to feel a sense of pride in their own presentation, and in their affiliation within the company that has an established and strong reputation. Many officers, especially those who work for Plancher Security, are proud to be a part of the organization and wear their uniform with pride. It identifies them as part of a team of experienced professionals.

The quality we bring to your environment begins long before you see our security officers. Our President and CEO Yvon Plancher at **Plancher Security** has resolved to make the recruitment and training of our personnel the key to our success.

TRAINING

Plancher Security conducts training that exceeds any of our competitor's programs. The knowledge of our management team is passed on to our new team members.
