Good morning Sgt. Walker,

We spoke a couple of weeks ago regarding having a police escort as members of the Marine Corps League hikes across the Cape Coral Bridge on September 30th of this year.

I just wanted to follow up with you to see if you were able to schedule an officer for us that day. Please let me know if you need anything from our Detachment.

I cannot remember if I had previously emailed you the details and information regarding the hike, therefore I have attached them with this email just in case.

Should you have any questions, please feel free to contact me directly.

Could you please provide a response to LCSO per our phone conversation where LCDOT would consider CCPD as an acceptable agency for the Law Enforcement escort across the Cape Coral Bridge.

I will need to have in writing from LCDOT that they are allowing that as well as information from Cape PD advising what their plans are. If this is going to be allowed the permit page will have to be rewritten before it can be approved. We will need all of this as soon as possible.

Thank you Amy. I am working with Cape PD as our escort. The cost from LCSO was not beneficial to the Veterans we serve and whom we are seeking to assist. Lee Co. DOT was ok with our using another agency.

If LCSO would do this as part of a Community outreach at no cost let me know.
