

Record Date Information

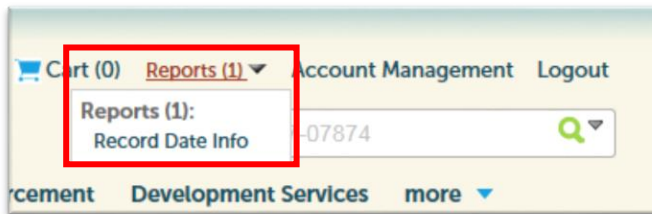

To find record dates, related to a specific record, on our eConnect site:

- Visit our website at <https://accelaaca.leegov.com>
- In the **Global Search** field, input the record number and click **Enter** on the keyboard or click the Search Icon

TIP: You may also perform an Advanced Search and click on the record number.

- Click the **Reports** link at the top of the screen and click **Record Date Info**

- A separate pop-up window will appear with the record dates associated with the specific record

- Put your cursor over the document, towards the bottom, to get the print/save options to appear
